*Proceedings of the Madras Government, Pension Department,
6th September 1873.*

Read the following papers :—

From the Collector of the Godavery District, dated 2nd December 1872.
„ Deputy Accountant-General, dated 17th July 1873, No. 21.

ORDER THEREON, 6th September 1873, No. 469.

Application is made for the grant of a retiring allowance to Sheik Hommed, late Peon of Ralangy Taluq, Kistna District, whose total service is entered in the Register as thirty-three years, one month, and one day. The applicant was thrown out of employ by reduction of establishment on the 12th August 1862, and the delay in submitting the application is stated to have been owing to a petition preferred to the Collector in 1864 having been lost in the cyclone, and the matter consequently has been lost sight of until the applicant petitioned Government in 1871.

2. Sheik Hommed is entitled to a compensation pension of Rupees (2-8-0) two and Annas eight per mensem, which His Excellency the Governor in Council is pleased to grant accordingly; but, as the applicant is partly responsible for the very great delay in the submission of his case inasmuch as, beyond presenting one petition to the Collector, he took no further steps to prosecute his claim, but allowed it to lie dormant for a further period of seven years, arrears will be payable only from the date of the petition to Government, viz., 10th March 1871.

1. To what Taluk or Division of Masulipatam District, was Gundugolu Perganah in which the applicants to secure in the Service Register to have served as Sibbendi peon for 4 years, attached? This Perganah does not appear in the Annual returns for that period.
2. Was Gundugolu Perganah a permanent Establishment, and were the servants in it paid out of the imperial revenues? or was it only a temporary Estab^t?
3. What is the cause of non-appearance of the appts of "Sibbendi peons" in any taluk or division of the Masulipatam District?

- 1 Gundagolana Parganah was part of Anantapatti Division: which latter see.
- 2 The applicant states he was a Sibbandi peon that is, a Police Peon. I suppose therefore that he was paid from imperial Funds.
- 3 "Sibbandi peons" will probably be found under Magisterial. There are no old magisterial bills forthcoming in this Office.

The "Sibbandi" of former years was converted in 1837 into "Civil armed Sibbandi" under "Magisterial" and it so continued till the introduction of Mr. Pelly's scheme. The papers required accompanying.
