no 66. Replote queries on reverse

The years 2-8-11 service of the applicant as Tarafdar, was reckoned as qualifying, because it was rendered on behalf of Government, and was accordingly included in the report, in view to its being specially considered by Government, when deciding on his case, as his total service without it, is only less by 3 months and 12 days to entitle him to a pension.

2. The applicant has drawn no gratuity for his service as Zilladar prior to 25th September 1860.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in ^{pension} ~~inferior~~ ^{not exceeding Rs. 48-0-0} ^{long} ^{is} ^{admissible} under Section 63 (a) of the Civil Pension Code, and 13 days; and that a ^{gratuity} ^{not exceeding Rs. 48-0-0} ^{long} ^{is} ^{admissible} under Section 63 (a) of the Civil Pension Code.

The calculations have been duly verified. The cause of applicant's service in the 3rd Madras Establishment not being counted as qualifying service in the Government of Madras during his period in the 1st 126th stated

25th January last and Government Order Revenue Department No. 14 dated 14 May 1872 referred to the Establishment of Madras in Bangalore District and of no temporary nature, and though Government in their Order No. 293 Pension Department dated 29 April 1872 were pleased to consider the service as permanent under the explanation afforded by the Collector, and to grant an inferior pension to the individual referred to in that Order, it does not seem possible any longer to treat the establishment otherwise than as temporary one?

The Applicant does not appear to have drawn gratuity for his permanent service up to 24 September 1860 the date on which he was put out of employ by revision of Revenue Establishments.

The cause of delay in the submission of this application and non-submission of Applicant's service book have been explained by the Collector in para 3 and 4 of his letter No. 52 dated 29 May last accompanying
