*Proceedings of the Madras Government, Pension Department,
2nd October 1873.*

Read the following papers:—

From R. W. LODWICK, Esq., in charge of the Accountant-General's Office,
to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St.
George, dated Fort St. George, 1st September 1873, No. 273.

Audit Department.

Adverting to Sections 71, 72, and 74 of the Civil Pension Code, I have the honour to state that I have ascertained from the Accountants-General, Bombay and Bengal, that applications for pensions and gratuities on behalf of officers of the Public Works Department are verified and reported upon by the Controllers of Public Works Accounts in those Presidencies. The procedure in this Presidency has hitherto been for the Accountant-General to verify and report upon such applications. As this is not in conformity with the rules prescribed by the Pension Code, and entails a great deal of unnecessary labour on a very hardly-worked Department of my office, I beg to request that the Controller of Public Works Accounts, Madras, may be directed for the future to verify and report upon all applications from his Department, and to submit them to Government through this office, as prescribed in Section 74, Civil Pension Code.

Referred to the Controller of Public Works Accounts for his remarks.

FORT ST. GEORGE,
10th September 1873.

(Signed) J. STURROCK,
Acting Under Secy. to Govt.

From T. MOSS, Esq., Officiating Controller of Public Works Accounts, to the
Under Secretary to Government, Fort St. George, dated Fort St. George,
12th September 1873, No. 3640.

In returning, herewith, the Accountant-General's letter, No. 273, of the 1st instant, I have the honour to state, for the information of Government, that, on being asked by that officer in July last whether there was any objection to the disposal by this office, in direct communication with Government, of applications for pension and gratuity on behalf of members of the Public Works Department, I replied that, according to Section 74 of the Civil Pension Code, *all* applications of the kind should be submitted to Government through his office; and, as regards verification of service, I added that in my opinion the "present arrangement should not be altered, seeing that the Service or Salary Registers

recorded in this office are complete only
from the years noted in the margin,
while those of previous years are in
the Accountant-General's Office."

ORDER THEREON, 2nd October 1873, No. 495.

The course proposed by the Accountant-General is in accordance with the rules prescribed in the Pension Code, and should, therefore, be adopted.

2. The Accountant-General will observe, however, that verification can be carried out in the Controller's Office only in the case of service subsequent to the year 1856.
