FROM

THE HON. W. HUDLESTON,
Chief Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to submit the following case for the favourable consideration of the Government of India under Section 75 of the Pension Code.

2. Penne Santappa, an Assistant Superintendent of Sea Customs in the District of Canara, has been compelled by ill-health to retire after a service of Years 31-8-11, of which only Years 22-5-5 qualify for a superior pension. It appears, however, that, owing to a revision of establishment in 1847, he was reduced for Years 3-6-11 to a salary which qualified only for inferior service, though he continued to perform the same duties as before, viz., those of a Clerk in the Sea Customs Office in Mangalore.

3. This case would seem to fall within the spirit of Section 40 (a), which provides special consideration for an officer with an inferior designation performing the duties of a superior officer, and this Government would recommend that Penne Santappa be permitted to include the Years 3-6-11 as qualifying for superior service, and thus obtain a pension of half his average salary, viz., Rupees 7-11-1.

I have the honour to be,

Sir,

Your most obedient servant,

OOTACAMUND,

Chief Secretary.

I, Robert Dempster
Acting Zillah Surgeon Mangalore
do hereby certify, that I have carefully
examined "Shantappa" ^{Assistant R.D.} ~~Acting~~ ^{R.D. of Sea Customs} South Canara; that his age
is by his own statement 54 years, and by
appearance, about 54 years; and that I
find him to be unfit for further service
on account of loss of sight owing to old
age not likely to be remedied by medical
treatment, and which renders him unable to
discharge the active, as well as the sedentary
duties of his appointment. In the best of my
judgment, the cause of disqualification is not
the result of intemperance or other irregular
habits.

From

Collector of South Canara

The Honble W. Huddleston,
Chief Secretary to Government,
Pension Department, Fort St. George.

Sir,

In submitting the accompanying Application for an Invalid Pension on behalf of Penna Santappa, late Assistant Sea Customs Superintendent at Mulky in this District, I have the honor to bring to the notice of Government that the total service of the Applicant both in superior and inferior grades since his entertainment in the public service amounts to 31 years and 8 months, out of which only a period of 22 years, 4 months and 24 days is reckoned as superior service, the rest of the service viz: 9 years, 1 month and 5 days having been in posts the salary of which is below 10½ Rs per mensem, which is therefore thrown out in calculating the net amount of service entitling him to pension. From the history of his service, it would appear that from 12 April 1847 to 15 August 1850, he was a

Recd. 26/7/73.
No. 535/73.

Sea Customs Gumasta in a superior grade drawing Rs. Rupees per mensem, and that owing to a revised scheme of establishment having been introduced at that time by Government, he came to draw a salary below the superior grade, although serving in the self same capacity. In the interval between this change and his subsequent promotion to a superior post in 1854, he counts a service of 3 years, 6 months and 24 days, which if added to the service now admissible under the Pension Code, would place to his credit a period of more than 25 years' service, and entitle him to half pension, while owing to its being excluded as has been done at present, he can only claim one-third pension, the period in question having been thus dealt with in consequence of there being no exceptional ruling in the Pension Code which warrants a contrary course.

2. The Applicant however being incapacitated to serve any longer from his sight being impaired, is compelled to retire, but prays that his claim for half-pension may be taken into consideration.

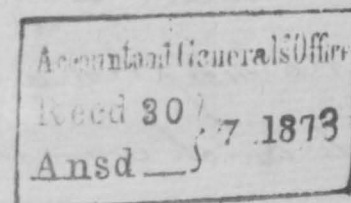

3. Section 40(a) of the Pension Code seems

to hold out a hope to retired servants in similar circumstances and is applicable to the present case. I have therefore the honor to request that the Government may be pleased to move the Government of India to allow the above period of 3 yrs., 6 ms., and 24 days which was service actually in superior posts, but in point of salary, in an inferior grade, to be reckoned as superior service in addition to that which is already admissible under the rules, so that the applicant may be entitled to receive half pension.

I have the honor to be,
Sir,

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in ^{superior}~~{inferior}~~ grades has been duly proved for—22— years, —5— months and —5— days; and that ~~an~~ invalid ^{pension}~~{gratuity}~~ not exceeding Rs. 5-2-1 (per mensem), is admissible under Section 56 (b) of the Civil Pension Code. The calculations have been duly verified.

Though the Collector has shown the applicant in the history of Service to have served up to 31st May 1878 and in item 13 of the application has ~~not~~ drawn his pension as commencing from 1st June next, this Department has admitted the applicant's Service up to 8th June 1873, as he appears from bill No. 28 on record in this office, to have drawn his pay up to 8th idem; and his pension should therefore commence from 9th June, the date on which he was pronounced by the Medical Officer to be unfit for further service.

The Collector's letter No. 1201 dated 25th July 1873, assigning his reasons for recommending the applicant for his pension is herein enclosed.

Regarding the non submission of the Service book, the Collector in remarks No. 5 of the application states that "the Service books of the public servants in this District have not yet been prepared and therefore the applicant's Service book is not submitted herewith. No. 500.

The Secretary to the Government
of India,
Financial Department.

Sir,

I am directed to submit
the following case for the fa-
-vorable consideration of the
Government of India, under
Sec. 75 of the Pension Code.

Is
Penni Santappa, an
Assistant Superintendent of
Sea Customs, in the District of
Canara, has been compelled
by ill health, to retire after
a service of Yrs. 31 " 8 " 11, of which,
~~some~~, only Yrs. 22 " 5 " 5,
qualify for a superior pension.
It appears however, that owing
to a revision of establishment
in 1847, he was reduced for
Yrs. 3 " 6 " 11 to a salary which
qualified only for inferior
service,

service, though he continued
to perform the same duties
as before, namely, those of a
clerk in the Sea Customs Office
in Mangalore.

This case would seem
to fall within the spirit
of Section 40(a) which provides
special consideration for an
officer with an inferior
designation, performing
the duties of a superior
officer, and this Govern-
ment would recommend
that Penu Santappa
be permitted to include
the yrs 3" 6" 11, as qualifying
for superior service, and
thus obtain a pension
of half his average
salary, namely, Rs 7" 11" 1
