Proceedings of the Madras Government, Pension Department, 11*th October* 1873.

Read the following papers :—

From the Acting Collector of the Godavery District, dated 9th April 1873.
,, Deputy Accountant-General, dated 17th July 1873, No. 34.

ORDER THEREON, 11th October 1873, No. 516.

Application is made for the grant of an invalid pension to Pasupuleti Raghunaikulu, late Pound Gumastah, Ellore Taluq, Godavery District, whose total service is stated to amount to thirty-six years, five months, and eighteen days.

2. The applicant's temporary service from 17th April 1838 to 23rd December 1842, and service as Pound Gumastah from 2nd July 1863 to 31st August 1872, the date on which he was removed as being unfit for further service, cannot count towards pension. His qualifying inferior service amounts, therefore, to twenty-two years, seven months, and twelve days only, and he is entitled to an invalid gratuity of Rupees (42) forty-two, equal to six months' pay, which is accordingly sanctioned under Sections 49 and 63 (*a*) of the Civil Pension Code.

3. The short break in applicant's service in 1851 falls within the provisions of Section 44 (*d*) and cannot fairly be counted against him.

OFFICIAL MEMORANDUM.

Read Memo. from the Off. Dy. Accountant General Madras, dated 19th April 1873.

Read also memo. from the Assistant to the Accountant General dated 25th June 1873 No. 2603.

The undersigned has the honor to return to the Accountant General the application for pension on behalf of P. Ramganaikulu late Pound gomastah in the Godavery District, and to state that the records of this office do not admit of the verifications of his services, as they shew only the number of Gumastahs employed in connection with Pounds and not the names of the individuals.

2. A spare copy of the Board's Proceedings dated 24th November 1871 No. 4843 is herewith forwarded, from which it will be seen that Pound Gumastahs are not included in the pensioned grades. This opinion is confirmed by the views of Government expressed in Para 9 of their Order dated 29th August 1872 No. 1149.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th November 1871.

Read the following letter from J. C. HANNYNGTON, Esq., Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 12th October 1871, No 3,132:—

I HAVE the honour to solicit the sanction of Government for granting a two months' extension to the leave of three months sanctioned by the Head-Assistant Collector to one Kalungi Narasayya, *Pound Gumastah*, in the Tiruvoor Division.

2. As the Pound Fund Gumastahs draw only Rupees 10, and as their Pay Abstracts are not sent up to the Accountant-General, I request to be informed, if the Heads of Departments have any authority to grant such leave, without an application to Government.

POUND Gumastahs not being included in the pensioned grades Collectors are competent to grant leave to them without reference to the Board or Government.

2. The letter should have been docketed 'from Collector of Kistna' instead of from Collector of K. D.

To
R. W. Lodwick Esquire
Deputy Accountant General
Madras.

In this Office copies of the annual returns for 1819-21-23-25 & 26, the post of Sayer Dygasti has been entered without the name of the individual holding it. Raghunaiklu stated that he was 5 years Sayer Dygasti when Mr. Robertson was Collector, who was in this District from 1820 to 1824. It might be that the post has since been abolished, his post having been entered in the annual returns up to 1826, I should think that he was on the permanent Establishment. Pygasti is the same as Overseer.

There are no records to shew why different rates of pay were drawn by Raghunaiklu as Tappal Overseer or Pygasti. He states that the maximum pay of the office was Rupees 15, but that payment of his monthly Salary was regulated according to the Speed with which the Tappals were Carried by the Runners under his supervision. Under this rule he says his monthly Salary ranged from 8 to 15 Rupees a Month and I believe this statement to be Correct as such a system prevails to some extent in the Postal Department even now.

(5)

2 The Service may therefore be taken as on the permanent Establishment as there is nothing on record to the contrary. The applicant drew no gratuity.

SIR,

The undersigned have the honor to request information on the following points:

Why is the post of Pygustah in the Sayer department not traceable in the annual Returns on record in this office up to 1838?

Was such post permanent or temporary?

Why is the applicant shown in the history of service as tappal Pygustah on Rs. 15 a month from 17th April /38 to 23rd Decr/42 when he appears from the monthly accounts of the Postal deptt. on record in this office to have been an Overseer on different rates of pay during the period?

Was such service permanent or temporary & if permanent, please state the circumstances under which the pay was frequently changed?

Whether the applicant drew any gratuity for his services up to 23rd Decr/42 and 12th December/51 & if so under what orders?

Statement given on oath by Ramapuley Raghunayakulu late Round Gumasta in the Ellore Taluk.

(6)

During the incumbency of the Assistant Collector Mr W. Knox in this District in 1838, I was appointed Tappal Ryyarty (Peon) on 15 Rs on the Road running from Rajahmundry to Jaggampeta. I held it for 2 years and odd, and was afterwards transferred to a similar post on equal pay on the Road from Jaggampeta to Rayakarampeta. I remember having remained there for about 2 years. Then the Government abolished that post, considering it unnecessary. At the close of 1843, I got the Sea-Custom Measurer's post on 6 Rs pay at Narsapur. I held it for about two years and a half. From this post, I was made Duffadar of

of the Nagaram Taluk on similar pay. I served in that capacity for two years and odd. In the month of December 1848, Mr. Master appointed me Frontier Pygasty (Peon) on 8 Rs salary at the Ingeram Station. After having held it for two years and seven months, my services were dispensed with, because the Government rented out the Frontier revenue. Four months after that, I was made Duffadar in the Pittapur Estate when it was under Government management. I held the post for 10 years. I received 7 Rs per mensem. I was afterwards appointed Round Gumasta in the Cocanada Division in the month of June or July 1863. I then received 10 Rs pay. I was without

employ for about a year and a half, after I was reduced in the management Department and until I was appointed Round Gumasta subsequently. I held continuously the said Round Gumasta's place in the Cocanada Division until August or September 1865. In the month of October 1865 Mr. Fraser, the Collector transferred me to the Ellore Taluk as Round Gumasta on equal pay. Ever since, I held that post until the end of August 1872, when my services were dispensed with. Except in the three instances when my services were dispensed with by Government as alluded to above, I always served the Government without any break. I will prove this circumstance by Darasy Subbarayudu garu formerly Huzoor Cashkeeper and at

present

present a Pensioner, as well as by Lal Sait formerly a Dhalayet and now a Pensioner. I have heard this statement and it is correct.

Statement given on oath by Davari Subbaroydu late Cash keeper of the Collector's Office in the Rajahmundry District and now receiving pension.

I know Ravupulety Raghunayakulu before you. I and he are the residents of Cocanada. I do not remember the year. When Mr. Robertson was the Collector of this District, Raghunayakulu was appointed a Sayer Pygarty (Peon) at the Amlapur Chowky. He held it for about five years. I was then without employ. The Sayer having been rented out, he lost his post. Mr. W. Knox granted him Tappal Peon's (Pygarty) post on the road between Rajahmundry and Tuny. He held it for 6 or 5 years. He was afterwards appointed a measurer in the Sea Customs Office at Narsapur. I remember that he served there for 2 years and odd. He was

from

from that post only made Duffadar of the Nagaram Taluq, where he remained three years. He got afterwards, the Frontier Pygastri's post at Ingeram, where he remained for two years and a half. He was then appointed Duffadar of the Pittapur station in the Pittapur Estate - which was taken under Government management. He held it for 10 years. A short time after the estate was restored to the Zamindar, he was appointed Round Gumasta in the Cocanada Division. There he remained for 2 years and odd. He was afterwards transferred to a similar post in the Ellore Taluq. After serving there for about 7 years, he was reduced by Government. I can assert that on the whole he served the Government

for

for 35 or 36 years. I do not know what salary he received for the several posts he held. Having retired on pension after serving in the Huzur at this place for about 32 years, and having since resided at Cocanada which is my native place, I know well that Raghunayakulu held the several posts above alluded to. He served the Government properly and continuously from beginning to the end. I have heard this and it is correct.

Statement given on oath by Labsaib late an attender in the Head Assistant Collector's Office now receiving pension.

I was a Sayer Dhaloyet in the Peddapur Taluk, when Mr W Robertson was Collector in this District. Pasupuleti Raghunaikulu who is present before you was then appointed a Sayer Pygarty (Peon) at the Amlapur Chowky. I remember a salary of 5 Rs per mensem was given him. He remained there for 5 years. The sayer having been afterwards rented out, his services ceased. A short time, after that he was appointed as Pygarty (Peon) on the Rajahmundry Postal Road. After holding that post for about 5 or 6 years, his services were dispensed with, consequent on the abolition of that post. From thence, he was appointed a Measurer in the Nursapur Sea Custom Office. I remember, he served there for 2 years. He then got Duffadars post of the Nagaram Taluk. There he stopped for 3 or 4 years. He subsequently held the Frontier peons post at Ingeram. I heard that he had remained there for two years. The Pittapur Taluk having afterwards been taken under Government management, he was appointed Duffadar of the Pittapur Station, which he held for 10 years. When the management was withdrawn he was appointed Pound Gumasta in the Cocanada Division. After he held that post for 2 or 3 years, he was transferred to a similar post in the Ellore Taluk. There he continued until he was at last reduced. Except in cases where his services were dispensed with by Government, as noticed above, he continuously held the Government Employ. As I had served long in the Collector's Huzur as well as in the Taluks and as this individual is a resident of Cocanada I know this man having served the Government. As I do not remember well what salary he drew in the several posts, I cannot state the same correctly. I have heard

this statement and it is correct

Sir,

I have the honor to submit an application for an invalid pension of 4 Rupees on behalf of Pasupuleti Raghunaikulu late a Pound Gumasta in the Ellore Taluq. His service extends over a period of 36—6—7 (Y M D) of which only 4—8—7 (Y M D) are superior. He was reduced on the 31st August last, but no medical certificate having been then called for by the Head Assistant Collector, one was obtained subsequently on the 7th February 1873.

2 The period of his service in the Sayer

Sayer as well as District Post Establishments is not borne out by the records. Of the remaining period of his service $\overset{Y}{26}$—$\overset{m}{10}$—$\overset{d}{''}$, $\overset{Y}{7}$—$\overset{m}{3}$—$\overset{d}{''}$ were not proved by records as the pay abstracts of the period in question are not forthcoming. I have therefore taken an Affidavit from the applicant to the effect that his services from the date of his entertainment up to that on which he was reduced were continuous except in three instances consequent on the abolition of the Establishments on which he was employed, and the estate having been made over to the Zamindar; and the evidence of his contemporary
employes confirms his statement.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} grades has been duly proved for 22 years 7 months and 17 days; and that an invalid {~~pension~~ gratuity} not exceeding Rs. 42 equal to 6 months, ~~is~~ will be admissible under Section 63 (a) of the Civil Pension Code, should Government consider that the applicant's employment after a break of 4 months & 18 days does not prevent his subsequent service in the Estate to count in as much as his non employment in the interval between leaving the Frontier and entering the Estate Service was not his own fault but due to the abolition of his Office. The calculations have been duly verified.

Otherwise he will be entitled to a gratuity not exceeding Rs. 32 equal to 4 months pay for his services of years 12-6-26 upto 24th July 1851.

The cause of delay in submission of application and in production of Medical Certificate has been explained by the Collector in his letter No. 76 dated 9th April 1873.
