Proceedings of the Madras Government, Pension Department,
20th October 1873.

Read the following papers :—

From the Collector of Coimbatore,	dated 7th May	1873.
„ Deputy Accountant-General,	„ 16th June	„ No. 132.
To the Secretary to the Government of India,	„ 11th August	„ „ 405.
From the „ „	„ 15th Sept.	„ „ 2983.

ORDER THEREON, 20th October 1873, No. 542.

The applicant, Tanjore Raghavendra Row, is admissible to a pension of Rupees 62-8-0 if his service as Stamp Gumastah is considered as qualifying, and his service as Stamp Darogah on the commission system does not entail forfeiture of previous service.

2. With reference to the first-mentioned service it appears that appointments of the kind were not entered in the annual return furnished to the Accountant-General, the reason apparently being that the salaries were charged to Stamp Revenue; but as the posts were of a permanent character, and the detailed distribution of the pay was subject to the orders of Government, all the necessary conditions to render the service qualifying for pension appear to have been fulfilled, and the Governor in Council considers that this service should be held to so qualify.

3. The period spent in the second appointment, Stamp Darogah, clearly does not count for pension; but, as the servants in the Collector's Office, throughout the country generally, appear often to have taken such posts in the course of their ordinary service, returning eventually to the regular establishment, the Government are of opinion that the provisions of Section 44 should be held to include such cases and save the incumbents from the forfeiture of previous service which would otherwise be entailed by the break.

4. His Excellency the Governor in Council has consequently obtained the sanction of the Government of India for the disbursement to Tanjore Raghavendra Row of a pension of Rupees 62-8-0 payable from the 8th April 1873.
