that Officer, No. 416, dated 23rd January 1873, and to request that the Controller may be authorized to pass the pay.

2. As stated in my remarks in the list of disallowances, the Writer, though reported unfit for further service on the 1st October 1872, could not be relieved till the 15th November, and up to that date continued to work; his services were not dispensed with by the Officiating Superintending Engineer until the 16th November 1872, and I think he should draw pay up to the date his services were dispensed with.

No. 53. ORDER THEREON, 3rd March 1873, No. 679.

ESTABLISHMENT, No. 8.

HIS Excellency the Governor in Council observes that the special reasons which necessitated the retention of D.

Somanah after the 1st October should have been reported for the orders of Government, but, under the circumstances, the Controller is authorized to pass the Writer's pay up to the date on which his services were dispensed with.
