Depy Inspr Genl I. M. D.

To,

His Excellency
The Right Honorable
Lord Hobart
Governor in Council of the Presidency
of Madras.

The humble Petition of T. Moottoosawmy Moodeliar late Commissariat Purveyor attached to Hospital Her Majesty's 69th Regiment.

Humbly and Respectfully sheweth.

That your Petitioner entered the service of the Commissariat Department in 1834, and was from old age relieved from his duty in June 1863 and placed on the invalid list on the recommendation of Dr Gordon of H. M. 69th Regiment.

2 That your Petitioner on being relieved from his Office submitted all his Testimonials, Credentials, and statement of service to Colonel Lowdon, requesting his kind support for application for Pension.

3 That your Petitioner had an urgent occasion to leave Madras for an out station

where he was unhappily afflicted by mental disease and continued to suffer from it for several successive years, during which time your Petitioner was supported by his relatives and friends.

4. When your Petitioner left Madras he respectfully requested the Commiſsariat Authorities to be good enough to communicate to him the result of his application, but they failed to do so, and your Petitioner on being restored to a sound state of mind enquired about it; but was informed by his relatives that they had heard nothing about the matter.

5. That your Petitioner petitioned* the Com=miſsary General on the 28th November last soliciting that his pension roll may be sent to him to Bangalore as soon as practicable, but regrets to find in the* reply made thereto by the Commiſsary General dated 8th April 1872 the following, "There are no records in his office prior to 1868 except cash accounts, the Petitioners case cannot therefore be traced. This Office therefore is unable to submit his claim for pension after the lapse of 9 years since he was thrown out of employment."

* copy attached marked A

* copy attached marked B

6 That your Petitioner served in the

Commiſsariat

31

Commiſsariat Department nearly 30 years (vide statement of service appended marked C) during which period he was present in the actions noted in the margin* and discharged his duties to the entire satisfaction of his superiors both in the Field and Garrison.

* Coorg War. Sattara and Nepaulese Wars, Sinde, Cabul and Afghan Wars 2d Burmese War.

7 That your Petitioner begs to bring to your Lordships notice that para 3 of this Petition states that your Petitioner was unhappily afflicted with mental disease which was the cause of delay in claiming his Pension for the past 9 years, which the Commiſsariat Department have overlooked in submitting his case to Government during this period although your Petitioner had duly given all information and documents together with service to support his application for your Petitioners pension as stated in para 2 of this Petition.

8. That your Petitioner now submits the few remaining copies of Testimonials, Credentials and Memoranda &ca. that are in his possession as per list marked D, by which your Lordships in Council will observe that these documents will alone be sufficient to verify the statement of services in the absence of any records in the Commiſsariat Department as almost all of the Documents are authenticated copies and pray

therefore that your Lordship in Council may be pleased to take his case into favorable consideration and grant him the indulgence solicited.

9. That your Petitioner further begs respectfully to bring to the kind notice of your Lordship in Council that Lieutenant Colonel W Booth Commanding H. M.s 41st Regiment notifies in the Public Testimonials dated 15th February 1841 granted to your Petitioner the following. "I beg to recommend him to the most favorable consideration of the General Invaliding Committee and in the hope that the Committee may be pleased to grant him the benefit of a full pension equal to the rank" and Dr. Wilkins of the same Regiment states as follows in the Public Testimonial dated 25th February 1843 granted to the Petitioner. "From the Testimonials he possesses it will be perceived that he has been long in the service of Government and is entitled to the benefit of a pension or to promotion whom I beg most strongly to recommend to the favorable notice of the Commissary General and the Medical Board": That your Lordship in Council will observe that the extracts above quoted as well as the other Testimonials speak for themselves regarding Petitioner's long service in Government; the Testimonials hitherto possessed and the recommendation of those Officers in

in 1841 and 1843 for the benefit of full pension equal to the rank. Since the above recommendation was made the Petitioner has again served nearly 20 years vide Statement of service.

10. That your Petitioner further begs to point out to your Lordship in Council that although your Petitioner was entertained in the service in 1834 on the Permanent Establishment of his Department he was previous to that year an accasional (Purveyor) Canacapillay of the Department from 1826 to 1834 which service does not count towards pension consequently it was omitted in the service Statement submitted. That during the above period of service your Petitioner had obtained several Testimonials of which he has only the certificate (marked No 1) dated 21st December 1826 granted by Captain Ellis of H. M.s 13th Dragoons which will partly prove as to the correctness of his statement.-

11. That your Petitioner is now in a very distressed state of mind owing to pecuniary embarrassments and he therefore humbly begs that he may be placed on the pension List as soon as practicable and that he may be permitted to draw his arrears of pension

at Bangalore from the date of his relief from duty with H Mo. 69th Regiment.

12. Under these, circumstances your Petitioner most humbly and respectfully begs that in consideration of his case and length of service in the Department extending to a period of nearly 30 years both in the Field Foreign as also in Garrison service your Lordship in Council may be pleased to grant the boon solicited and thereby save him and family from poverty and want in his old age and infirmity

13. For which act of charity your Lordship's Petitioner as in duty bound will ever pray.

14. That your Petitioner most respectfully requests that enclosures marked No. 1 to 27 may be obligingly returned when no longer required.
