Reply to the 1st Query. The list of Services bearing the Signature of the Deputy Collector in Charge of the Treasury forwarded with the application for Pension has been prepared from the records of the Revenue Department. The applicants services in the Public Works Department cannot be verified up to April 1866, Lascars names not being entered in Pay Abstracts. From May 1866 the

the applicant's name appears in the Cash Account of Range Officers. For the above reason a Certificate from Sub-Engineer Balasoondram Mudaliar and a letter from Supervisor T. Apparoo Mudaliar have been forwarded with the Pension Application in support of his services.

Reply to the 2nd Query. The Applicants services in the Revenue and Public Works Departments were of a permanent nature.

Reply to the 3rd Query. There has been correspondence between the late Superintending Engineer's office and Range Officers for verification of the applicants services; hence the delay.

Reply to the 4th Query. A Certificate is herewith forwarded.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} grades has been duly proved for 33 years 1 month and 8 days; and that an invalid {~~pension~~ gratuity} not exceeding Rs. 42 equal to 6 months pay is admissible under Section 63 (a) of the Civil Pension Code. The calculations have been duly verified.

Regarding the delay in submission of application, the District Engineer in his reply memo. dated 16th May 1873, states that "there has been correspondence between the Superintending Engineer's Office and range Officer for verification of the Applicant's Services."

A Certificate of the Applicant's unfitness for further Service from the head of his department dated 16th May 1873 has been called for and is enclosed herein, as the Zilla Surgeon to whom the Applicant was sent for examination, pointed out in his letter No 90 dated 23rd April 1873 that the Certificate in this case was unnessary under the terms of G. O. No 824 dated 5th December 1872, Pension department, as the Applicant being over 60 years.—

The Controller of Public Works Accounts in his reply No 391 dated 23rd August 1873, Certifies that the pay of the lascars under Supervisor Appavoo is Rs 7, only from 18th August 1865, but further explanation from the District Engineer regarding the difference of pay previously drawn by the Applicant, has not been called for since the last pay of the man on which the gratuity is calculated makes no difference.—
