To The Collector, Ganjam

The Deputy Accountant
General, MadrasDated Chatterpore 11th September 1873

Sir,

With reference to your Memo dated the 15th July last herewith returned as requested, I have the honor to inform you that formerly the Marine establishment consisted of only lascars and it was not then usual to include inferior servants in the annual returns.

2. I have no means of ascertaining whether pay bills of marine establishment which consist of a single lascar on 7 Rs pay per mensem were at all sent to any of the Presidency offices, but the lascars' pay is regularly charged in the Journals rendered to your office monthly from May 1849.

3. The correct age of the applicant at the date of his retirement appears to be 59 years but the Medical officer having put it down at 50 in the Certificate given by him that figure was entered in the Register of application.

4. Up to 1864, the present port of Gopalpore was known by the name of Munsurcottah.

5. In the office copy of the Peons' list of 1st April 1873 the entry runs thus "Dasari Doss Acting for Dasari Yerrappa" (a) The

Dk

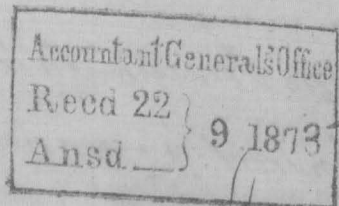

(a) The applicant was on leave on half pay from 1st March 1873 up to 16th May the date preceding that of his retirement.

6. The omissions have been duly supplied in the Service book which is herewith retransmitted.

I have the honor to be,

Sir
