,, Officiating Deputy Accountant-General, dated 10th December 1872, No. 539.

ORDER THEREON, 24th January 1873, No. 58.

Under Sections 53 and 56 (*b*) of the Civil Pension Code, His Excellency the Governor in Council is pleased to grant to Goday Vencatapathy Naidoo, late Toll Superintendent, Cochrane's Canal, on the establishment of the Collector of Chingleput, a superannuation pension of Rupees (33-5-4) thirty-three, Annas five, and Pies four per mensem, being one-third of his salary for the last five years, payable from the 5th October 1871.

2. Section 29, Clause 1, is inapplicable to the present case, "Cochrane's Canal Fund" not being a Local Fund of the kind contemplated by the Supreme Government, when directing a distribution of the charge on account of pensions according to the rule of proportion. The whole of the proceeds are at the sole disposal of Government, and the whole conduct of the canal traffic is controlled by them ; hence no distribution of the charge is requisite.

Sir,

I have the honor to forward, for the sanction of Government, the accompanying Register of application for Pension to G. Venkatapathey Naidu, late Toll Superintendent, Cochrane's Canal, who was required to retire from service, owing to inefficiency by age.

2 It will be seen from the Register that the applicant's service, as proved from records, amounts to yr. m. d. 18-8-15. The Salt Deputy Collector reports that the applicant has borne a good character and discharged his duties well. I therefore recommend that a pension of Rs.

33-5-4

33-5-4, equal to ⅓rd of the average salary for the past 5 years, may be granted to him.

3 The applicant's service in the late Survey of Madras, counts for pension Vide G. O. dated 23rd Decr 1858 No. 1707.

4 The appointment of Toll Superintendent, Cochrane's Canal, has existed ever since it was created in 1837, having been organized under orders of Government dated 3rd March 1837. It is therefore considered per=manent, and reckoned as service.

5 The delay in the submission of this application was caused by references having had to be made to old records, in view to the verifi=cation of the service, of which a greater portion is in the Madras Collectorate, and by some of the papers connected with the case having got mixed up with others, during the time the offic was on the move, for settlement work.

~~Sir,~~

Vide your Office application for Pension on behalf of Goday Vencatapathy Naidoo –

The undersigned has the honor to request to be furnished with explanation on the following points –

1. Why was the applicant shown in the service Register as acting Toddy Amuldar for 3 months from 4th February 1852 to 4th May while in the annual return of 1st May 1852 he was shown as Permanent Amuldar –
2. Why was the applicant shown to be Sirastadars Gumastah up to 31st May 1853 on 17½ Rupees while from the annual return of 1st May 1853 he appears to have been appointed as Toddy Amuldar on 35 Rs per mensem from 1st December 1852 only –
3. Was the transfer of the Applicant from the Office of Toddy Amuldar to that of St. Thome Survey Registrarship at his own request or under the orders of his Official Superiors, if under the latter please furnish copy of the order (with translation) and state whether or not he retained a lien on his former appointment of Amuldar during that period –

4. Was the office of the Registrar of Grants in which the applicant was appointed to act fully vacant, and was the full pay of it allowed to him, if so what became of the permanent incumbent, and why was the applicant shewn as acting only for 6 months (the period he held that appointment) instead of being shewn as Permanent Registrar - a copy of order (with translation) which transferred him to the office of Registrar should be furnished - If the place was not fully vacant did the applicant during the period he acted retain a lien on his former appointment of Amildar -

5. If the applicant should have been shewn as permanent Registrar of Grants (the place being fully vacant, and as full pay of the office was allowed to him) what was the cause of degradation from 50 Rs. to 40 Rs. as Quit Rent Amildar Copy of Order (with translation) in connection therewith should be sent -

6. Was the Sick leave granted to the applicant from 21 September 1870 on stoppage of full or half pay -

TO

SIR,

I have the honor, in communication with the Deputy Collector of Madras, in whose office G. Venkatapathi Naidu was formerly employed, to reply to the queries contained in your Memo of the 14th August and to enclose an amended Register-book.

+ returned -

1. The entry in the Register as acting toddy Amildar is found, on reference to the marginal papers, to be correct, while that in the annual return as Permanent Amildar seems to be a clerical error.

Collector's Takeeds Nos. 15 _ 19 of 3. Feby and 5. May 1852 and monthly Pay abstracts.

2. The applicant was Sheristadar's Gumastah on 17½ Rs. up to 31st March 1853 and not 31st May 1853, as shown by mistake in the Register, but during the last 4 months of this period when the toddy Amildar was employed on other duty, he was placed in charge

of the latter office, and was confirmed therein on 1st April 1853 and not on 1st December 1852, as appears to have been shown in the annual return referred to.

3 Venkatapathi Naidu was transferred as St. Thome Survey Registrar only as a temporary measure. Vide copy of the Collector's order No. 49 dated 28th June 1854, enclosed with translation. So he must have retained a lien on his permanent appointment.

4 The permanent Registrar of Grants Ponnusawmy Pillay was employed on other duty and applicant was appointed to act and allowed the full pay of the office, as will be seen from the enclosed copy of the Collr's order to the Cashkeeper and its translation No. 414 dated 7th July 1856. On this occasion too, the applicant appears to have retained a lien on his permanent appointment of Toddy Aumildar, and this the Deputy Collr. states, is evidenced by the fact that the person nominated to act for him was confirmed only in November 1857, when his lien ceased by being permanently appointed as Quit Rent Aumildar.

5 The degradation alluded to, is only nominal, as the 50 Rs. appointment held by the applicant was only acting. Copies of Cottahs with translation, in connection with his nomination as Quit Rent Aumildar on 40 Rs., are enclosed.

Nos. 45 of 16th July 1857.
59 of 5th Novr. 1857.
39 of 25th May 1858.

6 The sick leave referred to was on stoppage of half pay.

In conclusion, I forward for the consideration of Government, the original testimonials filed by the applicant, which show that his services were highly appreciated by his employers.

To

Sir

In submitting herewith the application to my address from the Toll Superintendent Gada Venkatapathy Naidoo requesting that the services of himself and his subordinates be reckoned towards pension, I have the honor to state that he first entered the service of Govt. in 1853 and performed duties in the several Departments of this Office as will be seen from the enclosed statement+ of services. The last appointment held by him one before the present, was the Tahsildaree of Madras Talug. This post was conferred on him by the late Collr. Mr. Cunliffe as that Gentleman found him fit for that Office in consequence of his honesty, zeal and activity, and especially of his knowledge of Madras and its residents. Mr. Cunliffe was also pleased to record his favorable opinion of Vencatapathy Naidoo as will be seen from the copy of the enclosed Certificate favored him before he left India.

+Vide Enclosure A

Vide enclosure B

Vencatapathy Naidoo was promoted to his present Office as its salary was lately Rs. 105 a month but unfortunately it was reduced to Rs. 100 under the late revision of establishment made by Honorable Pelly as communicated in the proceedings of Govt. dated 25th Novr. 1863 No. 3[illegible] Vencatapathy Naidoo had not ever given cause for displeasure either to myself or to your predecessors, and he is an able man of business and bears a respectable character. He now brings to notice that his past services of about 4½ years under Govt disallows him from the benefit of the Superannuation pension by the recent transfer of the Toll establishment under the head of Local Fund. No doubt his assertions are better founded as I understand on enquiry that the services of the servants under the head of Local Fund could not entitle them to a pension without the express sanction of Government.

Under these circumstances I respectfully submit the matter for your benevolent consideration, & request the favour of your laying the matter before the Board of Revenue in view to their procuring the order of Govt specially to take the past and future services of Vencatapathy Naidoo and the Clerk+ of his Office towards pension as it does not now entitle them for it.

+ C. Terooven gada Pillay salary 30 Rs a month. Total period of service about 10 years.

I understand that this favor was specially conceded by Govt to certain servants, whose services were disallowed under similar circumstances.

1 Abstract of bills (to be returned)

With reference to the Memo from the Officiating Deputy Accountant General, dated 13th August 1872 the undersigned has the honor to state that the services of G. Vencatapathy Naroo late Toll Superintendent in the Cochrane's Canal Establishment can be verified from the records of this Office, only from the 1st April to the 31st December 1865, during which period the salary bills of that Establishment were audited by this Office, in accordance with the orders of Government No. 1314 dated 15th May 1865 and No. 3588 dated 28th November 1865 P.W.D.

2 It will be observed from the first of these orders, that during 1864/65, the salaries of the Establishment in question were advanced by the Revenue Department

Department. In July 1865, the accompanying abstract of Bills was submitted by the Deputy Collector, Sydapet, and audited by this Office in adjustment of those advances, but as the names and rates of salary drawn by the subordinates concerned are not entered in the abstract, the services of G. Vencatapathy Naidoo during 1864/65 cannot be ascertained therefrom.

3. Vencatapathy Naidoo does not appear to have had leave of any description from the 1st April to 31st December 1865

My dear Galton

I do not see how I could do otherwise than I did in this case - I have no G.O. telling me that the Cochrane's Canal Fund is not of the kind contemplated by the Supreme Govt

Conduct of the canal traffic is controlled by them. It is purely a Govt. dept.

637

Our Books show it as a Local Fund from 1865 – and a Special Fund from April '72 – The Pension Applicant retired in Oct '71 while it was a Local Fund – I think it is for Govt. since passing orders in the Case to [illegible] rule that distribution is unnecessary for the reasons you give the conclusion of Sec 29. 1. C.P. Code is very imperative

Do you mean to bring the Canal Fund under Sec 30 c.?

Yr Sincerely

W. Oswald

Order thereon

Under Sections 53 and 56 (b) of the Civil Pension Code, His Excellency the Governor in Council is pleased to grant to Goday Vencatapathy Naidu, late Toll Superintendent Cochrane's Canal on the Establishment of the Collector of Chingleput, a superannuation pension of Rupees (33„5„4) thirty three, annas five, & pice four per

per mensem being one third of his salary for the last five years payable from the 5th October 1871.

~~2. In accordance with Section 29 Clause I, the pension now sanctioned must be debited partly to General Revenues and partly to Cochranes Canal Fund according to the rule of proportions. The Applicants service having amounted to 13 yrs. 3 months 24 days in the former establishment and 6 years 5 months 4 days in the latter, the proportionate sums chargeable to General Revenues and Canal Fund will be Rs. 22 " 7 " 10 and Rs. 10 " 13 " 6 respectively.~~

Sec 29 clause 1 is inapplicable to the present case. "Cochrane's Canal Fund" not being a Local Fund of the kind contemplated by the Supreme Govt directing a distribution of the charge on account of pension according to the rule of proportions. The [illegible] fund is the balance of the proceeds in the disposal of Govt & the whole conduct of the canal traffic is controlled by them. Hence no distribution of the charge is requisite.
