Sir,

In reply to your memorandum
N^o 4916, dated 8th instant, giving over
to Proceedings of the Madras Government, Pension
Department, 27 November 1873, I have the honor
to state that I examined Soobbaiaidoor,
Duffadar of the Office of the Collector of
South Arcot on 29th April 1873. I asked
him to read from a Tamil book. This he
did very imperfectly, and while doing so,
kept constantly altering the focus of vision,
shortening and lengthening the same, this
with discoloration of the crystalline lenses,
justified me in considering he was labor-
ing under incipient Cataract, in the absence
of

of all scientific ophthalmic instruments.

2. The man moreover came to me at the Civil Dispensary some 2 or 3 months before and requested that I should give him a Sick Certificate to enable him to apply for pension, as he said his eyesight was defective. I declined to do so unless at the request of the Head of his office.

3. Is it quite certain that the acting Superintendent of Eye Infirmary examined the man in question? as I have heard of such things as substitutes.

I have the honor to be

SIR,

With reference to the Proceedings of Government entered
Pension Dept. No. 599 of 27th Nov. 1873. in the margin, I have the honor to forward for
submission to the Right Honorable the Governor in Council, the
accompanying letter from the Civil Surgeon, Cuddalore, in explanation
of the Certificate he granted to Subba Naidu, Duffadar, on the
establishment of the Collector of South Arcot.

2 The Civil Surgeon explains that, two or three months
anterior to that transaction, the Duffadar personally applied
for a certificate of disqualification on which to base an ap-
plication for pension, on the ground of defective eyesight, but
that the Civil Surgeon declined to examine him without a re-
quisition from his departmental superior.

3 The Civil Surgeon, subsequently, examined him, ap-
parently, on receipt of that requisition, and noticed that, while
he very imperfectly read from a Tamil book, he kept constantly
altering the focus of vision, shortening and lengthening the pause.
This, with discoloration of the crystalline lenses, led him to conclude that

Order thereon, 27th November 1873 No 599

The application for an invalid pension for B. Subba Naidu submitted by the Collector of South Arcot is supported by a Medical Certificate signed by the Civil Surgeon of Cuddalore to the effect that Subba Naidu is "unfit for further service on account

account of old age and defective vision not likely to be remedied by medical treatment, and which renders him unable to discharge the active as well as sedentary duties of his appointment." A petition however having been received from Subba Naidu denying that his vision was defective, he was directed to present himself before the Superintendent of the Eye Infirmary for Examination and as that officer now reports that he finds him to be labouring under no defects of vision in either eye the Govt are unable to comply with the application for the grant of invalid pension.

The Collector of South Arcot will restore Subba Naidu
