FROM

D. F. CARMICHAEL, Esq.,
Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

In reply to your letter, dated 18th September 1873, No. 3176, I am directed to forward the papers therein called for, from which it will be seen that an immediate saving of Rupees 8,600 per annum, with the prospect of its being eventually increased, is anticipated from the arrangements which led to the abolition of the post held by Coratoor Sonagery Mudelliar.

2. With reference to the second paragraph of your letter, I am directed to state that this Government have always fully recognised and enjoined upon their officers the necessity of endeavouring to provide employment for persons whose posts have been abolished, both from financial considerations and in justice to the individuals themselves.

I have the honour to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
1st December 1873.

The Chief Secretary to the Government
of Madras.

In acknowledging the receipt of your letter No 401 (Pension) dated 8th August 1873, regarding the grant of a compensation pension to Coratoor Sonagery Mudelliar, late an employe on the establishment of the Clerk of the Crown, Madras High Court, I am directed to request that, with the permission of His Excellency the Governor in Council, you will be good enough to forward the papers for the perusal of the Government of India, and to state what amount of saving was effected by the reform which led to the abolition of the applicant's office.

2 I am to invite particular attention to Rule 1 under Section 47 of the Civil Pension Code and to observe that every effort should be made to find employment for persons in the position of Coratoor Sonagery Mudelliar in some office under the Government. It is not enough to say that the Head

of his own office cannot find a place
for him. The expense of a compensation
pension is usually considerable. It
is undesirable to pension an officer
still capable of useful service, and
special efforts should always be made
to avoid doing so -

Sir

With reference to the Pro-
ceedings of Government, Pension Depart-
ment, No 828, of the 6th December last,
I have the honour to forward a letter
from the Deputy Master Attendant
with two enclosures, relative to invalid
peon Veerasawmy's service in the Mint,
and the Collector of Madras' office.

From the above docu-

ments it appears that Veerasawmy
served in the Mint 13 years and
8 months, and in the Collector of
Madras' Office 12 years 10 months
and 4 days, making altogether 26
years

years 2 months, and 4 days, which added to the period he was employed in the Marine Department, viz^t 34 years and 6 months, gives him a total service of 61 years and 4 days. His service in the Collector's office is, however, not satisfactorily supported, but I have no doubt the Accountant General will be able to verify it in his office.

3. I much regret that I was not in possession of the above information when I forwarded the application for Veerasawmy's pension in September last, and in now submitting his case, with a service of more than three score years, I beg to recommend that this old servant of Government be granted a pension of 7 Rupees per mensem instead of $3\frac{1}{2}$ Rupees, for the few remaining years of his life. If, however, the Government are in

any way precluded from recommending him for a full pay pension, I trust they will sanction a pension of at least 4 Rupees
