Sir,

With reference to your official memo N^o 3174 dated 5 September 1872 I have the honor to state that the election of Constable Shakkomed N^o 408 for the old Rules was taken before the receipt of the circular N^o 2119 and by an oversight his reelection was not taken before his papers were sent on to the Chief Office.

2. He has now elected for the new Rules and his declaration is herewith forwarded.

3. The cause of delay in obtaining the declaration of the man originally was because the acting Assistant Superintendent (Captain Bayley) had not taken the election of the men of his division up to the time that he was discharged.

Official Memorandum

The undersigned has the honor to state in reply to the Acting Under Secretary's Official Memorandum dated of the instant No. 88 that the reference to Sections 63 a and 107 was erroneous and that as the matter of election did not affect the Gratuity the report has been amended.

Official Memorandum.

The Ag. Under Secy. to Govt Public Works Dept is directed to request with reference to the Asst. Accountant General's report on the accompanying Application for gratuity on behalf of John Constable that the reason of the Application of Sections 63 (a) and 107 to the present case may be explained.

The Applicant's service in the Revenue Department being vitiated by resignation clause 14 of the Rules of 19th July 1891 appears to be inapplicable and the gratuity must therefore be calculated on the Police service only which entitles the Applicant to a gratuity of 10 months pay both according to Scale A and Scale B, so that the change of election appears to be immaterial in the present case.

Certified that qualifying service in inferior grades has been duly proved for 10 years 5 months and 26 days and that an invalid gratuity not exceeding \$25 is admissible under Section 107 of the Civil Pension Code.

The applicant would have been entitled to a gratuity of \$20 or 10 months pay had he kept to his first election, viz to abide by Scale A of Section 104, or had his Revenue Service not been vitiated. The applicant retired on 18 April 1872 and his 2^d election is dated 13 Sept 1872 and this is to abide by Scale B. In making the 2^d election however, the applicant must have been under the impression that his Revenue Service would count.

The delay in submission of application and in taking declaration has been explained by the Superintendent at foot of the Register and in his letter N^o 369 of the 15th September last.
