Memorandum from the Secretary to Government, Military Department, 21st December 1858.

I beg to bring under the favorable consideration of Government the case of Mr. Spears, 1st Examiner Military Department.

2. I have found Mr. Spears quite unequal to the peculiar description of work which has devolved upon him consequent upon the substitution of printing for manuscript—and I feel it to be absolutely necessary for the increasing business of the Office that he should be re-placed by a younger and abler man.

3. Mr. Spears is now in his 54th year—having been received into the Office at a more advanced age than usual—and to this I mainly attribute his inability to master the new and much more difficult work which an Examiner is now required to perform.

4. His inability is not his fault—for I believe, he does his best—and he is in every way a respectable and deserving man—but there is no hope of his ever becoming equal to what has now to be done—and the public work suffers.

5. It is not possible for me to employ Mr. Spears upon any other duty—each individual in the Office has his own special occupation, and there is none with whom Mr. Spears could be exchanged.

6. But not having yet completed 5 years service, in his present grade, Mr. Spears is not, under regulation, entitled to the full amount of Pension.

7. Considering however, that under the former system Mr. Spears could have *Rs. 50 continued undisturbed in his position, I beg strongly to recommend him specially for a *Pension of one third of his present salary, Rupees 150.

8. My application is not without precedent—some others of the Department having been pensioned in like manner on the introduction of printing.

ORDER, No. 4658, 21st December 1858.

Under the foregoing representation from the Military Secretary, the Governor in Council specially authorises the transfer of Mr. Spears 1st Examiner Military Department, to the Pension list, on a pension of Rupees (50) fifty—being one third of his present salary—to take effect from 1st January 1859.
