*Proceedings of the Madras Government, Pension Department,
5th February 1873.*

Read Proceedings of the Madras Government, dated 7th August 1872, No. 630, and letter from the Acting Agent to the Governor of Fort St. George in Ganjam, and read also report of the Accountant-General, dated 16th January 1873, No. 603.

ORDER THEREON, 5th February 1873, No. 79.

Application is made for the grant of an invalid pension to Brundavana Besoye, late Sub-Magistrate of Tummeribund in the Chinna Kimedy Maliahs, Ganjam District.

2. The applicant's service divides itself into three distinct periods, as noted

and 22 days, and gives a title to an invalid gratuity of nine months' pay, Rupees 1,350.

3. The Agent, however, strongly recommends the grant of a special pension of one-third pay in the applicant's case, on the ground that, "though an illiterate man, he has done good service in a very unhealthy climate, and in the midst of a difficult people, and has frequently earned the thanks of his superior officers and of Government." The applicant raised himself from the position of a sepoy to that of a Sub-Magistrate, for which post he was chosen on account of his knowledge of the manners and customs of the Khonds, and of the best mode of managing them at a time when it was difficult to find any one acquainted with that tribe. He is reported to have been engaged in several outbreaks and to have been wounded.

4. Under these circumstances, His Excellency the Governor in Council resolves to submit Brundavana Besoye's case for the favourable consideration of the Government of India, with the view to the grant of a pension of Rupees 45-1-9, equal to one-third of his average salary for the last five years, and, pending the decision of his case, to grant the gratuity of nine months' pay (Rupees 1,350), to which he is entitled under the rules, payable by monthly instalments of Rupees 45-1-9, with effect from the date of his retirement, 1st June 1872.
