Sir

With reference to your letter to 1532
of the 13th December 1872, I have the honor to inform
you that in the annual returns from 1st May 1839
to 1849 the applicant's name has been entered as
Santia Sany Rao, the prefix Santia being his family
name which however has been subsequently left out

The entry of Sany Rao and Shan Rao in
the returns of 1850, 60, and 1853-54-57 to 59 is
merely misspelling of Santia Rao

Virkudi and Serumarikal are the names
of the Nagarnams or divisions of a Taluk in
which Santia Rao was employed as Peishkar
from February 1850 to January 1860 and they
are attached to the Srirangapatnam Taluk.

Lasildar of Mannidano Talug

Your arzi of 482 of the 3rd Instant with
its enclosures has been perused. Miscellaneous remis-
sions as well as of taxes on trees which have ceased
to bear fruit are granted on reports made by the
officers deputed to examine the same. It is incumbent
on such officers who are paid by Government to give
correct account without making any wilful misentry
but your Salug Revenue Inspector Sama Rao's exa-
mined the village Siddanorlar and submitted a
return showing the tree tax to be remitted in this office
however the correctness of the return was doubted and
you were in consequence ordered to re-examine the
village and it has now come to light that out of
the 77 trees the tax of which (Rs 16-3-1) was recom-
mended to be remitted, with the exception of one tree
(assessed as 5) the others were found fruit-bearing.
Inspector Sama Rao admits the correctness of your

Examination, and the explanation given by him
for the incorrectness of his return is not satisfactory.
It is thus clear, that Inspector Sama Rao has wilfully
given a false return with intent to defraud Govern-
ment of a part of its Revenue. He is therefore
suspended for 6 months. Have his name struck
off from the pay abstract from this date.

You will also inform all the Taluk
officials the contents of this order, and warn them
that any similar malversations will in future be
severely noticed.

From C. G. Plumer Esquire
Sub Collector of Taluk

Of
Viradami Nayaker.
Tasildar of Tannilum Taluk.

Sama Rao the first class Inspector
of your Taluk who was suspended for 6 months
on account of some mis-conduct in burning the
trees in the village of Siddamur has appealed to the
Collector according to whose order it appears that
the suspension he has already undergone up to this
time is a sufficient punishment. He is therefore
restored to his former appointment of the first class
Inspector.

Extract from the Proceedings of the
Sub. Collector.

The Revenue Inspector, who has not
lately been working at all Satisfactorily, in this
instance also has neglected his duty. He received
a report of the alleged theft and want of the Char
Coal burners and went to the village. On the
8th January he reported that he had measured
the land and that the trees have been cut on river
bank in N 13 + 19. On the 3^d February he
deposed that he had measured the number the
Pottamannan pointed out, and did take the
trouble to ascertain what numbers he was measuring.
In this way though I am not prepared to call him
an accomplice, yet by his negligence materially
assisted the Pottamannan in carrying out a gross
injustice. Had his report been acted on, the accused
could have all been convicted. He must be suspended
for 3 months.
