Sir,

Having read the several questions carefully, I beg to submit the following replies:

I beg to remain
Sir
Your Most Obedt. Servant

Late clerk, Office of Deputy Inspector
of Schools, Guntoor circle.

The applicant was shewn to have been on receipt of 25 Rupees pay per mensem instead of Rupees 20 from information received from him (the applicant) which he
2 furnished from the faint recollection he had being quite unwell at the time the entries were made in the form of application for Pension. A reference to the Inam Department will remove the inconsistency.

As the then Inam Deputy Collector was likely to be transferred to the Bellary District, the applicant ceased
3 to be employed on the Inam Establishment from 16th September 1860, being unwilling to proceed to Bellary the climate of which was said to be quite unhealthy, and in consequence resigned of his own accord and reverted

to

to his appointment in the Educational Department. That in the Inam Department was taken up in consideration of higher salary and on condition of reverting to his former appointment, if the new one does not suit him in any way.

The service Book of the applicant was forwarded to the Deputy Inspector of schools, Guntoor circle, duly filled up together with other papers, to whom a reference is requested. As the applicant has kept no record of leave with him, he is now unable to furnish a more full and correct statement as desired than the one herewith appended. The Adjutant General of the army, madras, and the Deputy Inspector of schools, masulipatam circle, under whom the applicant has served, may be referred to for the detailed information required.

The only identification marks on the applicants person are those noted below:-

A black mole on the corner of the left eye.
A scar on the middle of the spine
A solft moveable tumor on the left abdomen
Color - Bamboo.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None -

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. None required.

5. Any other remarks. The applicant believed that he had completed the term of service entitling him to a pension of half his salary. Owing to changes in the Rules which he apparently did not understand his service falls short of the required period by 4 months and 6 days. In consideration of his good character I recommend that the half salary pension be granted, if possible.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for — 24 — years — 7 — months and 22 days; and that a superannuation {pension ~~gratuity~~} not exceeding Rs. 5 " " per mensem, is admissible under Sections 29 and 57 of the 2nd authorized edition of the Civil Pension Code. The calculations have been duly verified. It will be observed that from April 1871 two thirds of applicants pay was recovered from the Local Fund, but under Rule 1 of Section 29 the same need not be debited with any portion of the Pension as the proportion that is debitable to the Fund is less than 1/4th of the amount of pension chargeable to the General Revenues.

A Medical Certificate of applicants unfitness for further Service accompanying is unnecessary he having passed 55 years of age.

Order thereon 23rd February 1874 – No. 102

Under Sections 29 & 57 of the Civil Pension Code (2nd Edition), His Excellency the Governor in Council is pleased to grant to Kaguru Harikrishnama Setti, late Clerk in the office of the Deputy Inspector of Schools, Guntoor Circle, a superannuation pension of Rs 5/, five, per mensem to which he is entitled for his qualifying superior service of 24 years 7 months and 22 days, & to make it payable at Madras by the Accountant General from the 16th August

With reference to the Statement that, owing to a change in the rules, some portion of Ragum Harikrishnama Setti's service no longer counts as qualifying service, it is observed that, were the former rules alluded to now in force, a pension of a higher proportion, than that granted, would still be inadmissible because even under former rules he would not have completed the 30 years necessary for a pension of ½ his salary
