I, Alexander Gamack A.M.&M.D. Zillah Surgeon, Madura, do hereby certify that I have carefully examined Overseer Moothoosawmy Pillay D. P. W. that his age is by his own statement 50 and by appearance about the same and that I find him unfit for further efficient service as an Overseer in the Department of Public Works owing to an accident whereby his left leg was crushed and the bones broken into several pieces. The bones have united but I do not consider him fit for the walking & riding exercise required from one in his position Superintending works in different parts of the District. The accident occurred while in the discharge of his duties and not in my opinion attributable to intemperance or other irregular habits.

He has gained confidence of the people, his year's work is got through well before the end; and he is always prepared to take an additional Grant of money and carry on Road or Irrigation works within a given short time; if higher grade Overseers has been sanctioned as was expected last year I would have placed this man's name first in the List of Overseers for promotion.

I have seldom met with an overseer of Moosamy Pillay's stamp, energetic, hardworking intelligent and obedient. In cases of emergency he has never failed me. In Peroomangalum his influence is so great that any number of Coolies may be collected within a short time and the most formidable breach closed or work executed; he is well up in his duties and though he does not understand English, yet he has compensated for this defect by 24 years of hard and faithful Service. I shall always be glad to hear of his promotion for he well deserves it. I am now handing over the Range charge to him agreeably to Sup. Engineers orders (Vide Memo No 1990 Dated 1st December 1868.

1. Copy of Collector's letter No 1880 dated 13th Octr /73.–

Sir,

In acknowledging the receipt of your Memorandum, No 33, dated 4th September 1873, asking certain information, regarding Moothoosawmy Pillay's pension, I have the honor to state that Rs 66-11-0, appears to be, as stated by you, the correct amount of average pay which C. M. Moothoosawmy Pillay drew during the last 5 years of his service up to 30th June 1873.. The amount of pension to which he is entitled is Rs 22-3-8 being one

one third of the average pay above referred to.-

2. The Pillay's pay and allowance from the 1st up to the 8th July 1873, have not been paid owing to the delay in handing over Tools to his successor, and the Range Officer has now been instructed to settle at once the Pillay's pay and allowance up to the 8th July 1873, as mentioned in the Register of Application for pension.-

3. Under these circumstances I request that you will count 8 days service in July 1873.- This will raise his amount of average pay during the last 5 years of his service to Rs 66-14-- and the amount of pension to which he is thus entitled to Rs 22-4-8.-

4. I take the opportunity to point out that from the History of the service of Moothoosawmy Pillay it

it would appear that he has served from the 17th April 1844 to 13th June 1849, a period of $\overset{y}{5}.\ \overset{m}{1}.\ \overset{D}{27}$, in the Sheivagungah Zemindary as Talook Maistry on Rs 10-8-- per mensem and that in continuation thereof he has served in the same capacity from 14th June 1849, to 30th April 1857 a period of $\overset{y}{7}\text{-}\overset{m}{10}\text{-}\overset{D}{17}$ in the same Zemindary, during which latter period the Zemindary appears to have been under the management of the Court of Wards.- These two periods were not reckoned by me as service towards pension, inasmuch as the Madura Range Officer has remarked to the effect that there are "no records to verify".-

5. In order to ascertain whether this service is permanent or temporary, I addressed the Collector on the subject. This gentleman in his

his letter No. 1880 dated 12th October 1873, informs me that his service "must be considered temporary." × copy enclosed

Sir

With reference to your docket No. 2652 dated 18th September last, I have the honor to inform you that from the Baravard accounts in my Office it appears that Moothusawmy Pillai was employed as Maramut Maistry on Rs. 10½ per mensem in Shevagungah for 4 years and 2 months from January 1849 to February 1853 and for 3 years & 8 months and 10 days from 21st August 1853 to the of April 1857. A yadast to the Shevagungah Manager dated 18th February 1853 No. 43 further shews that Moothusawmy Pillai was also appointed Maistry on Rs. 12

per

dated

DVC

per mensem in connection with a bridge over the Uppar at Padamattur but there is nothing to show any disbursement of pay to him as such maistry. His service was not Government service at all, I imagine, and at all events must be considered temporary. As the zemindary was not under the management of the Court of Wards from 1844 up to February 1849 I can give you no information as to Moothusawmy Pillay's services therein during that period.
