ORDER THEREON, 3rd March 1874, No. 118.

As the delay in the submission of the application appears to have arisen entirely
from the applicant's endeavouring in the first instance to obtain a new appoint-
ment, the Government resolve to relax the usual rule and to direct, in modification
of G. O., 28th July 1873, No. 379, that the pension be made payable from 16th
September 1871, the date on which he ceased to be borne on the establishment.

Sir, I have the honor with reference to
the Orderment of Government on the
comparing Petition N: 2114 of 1873, to
report that Petitioner Shempakam Rander
Rou was formerly a Pappab Gumastah,
and was thrown out of employment on the
16 September 1871, on the transfer of the District
Post Offices to the Regular Postal
Department. He has since then been seek-
ing for employment, but as he had
attained the age of upwards of 60 years,
and was disqualified for further service,
he was ordered to apply for a pension.
He did so, and it was proposed in the
application submitted to Government

on his behalf that the Pension should com-
-mence from the 16 September 1871, but the
Government in according their sanction
to the grant of the Pension, in their Proce-
-dure dated 28 July 1873 No. 379, ordered
that it should commence from the 17 Janu-
-ary 1873, which was the date of Kaudai Gou's
application for Pension.

2. As it was through no fault of
Kaudai Gou that he was kept out of
employ for 16 months after he had lost
his appointment in consequence of a change
in the District Postal Department, I think
that Petitioner's case is deserving of re-
-consideration, and that Government may with
propriety sanction the grant of the stipend
from 16 September 1871 as originally pro-
-posed, and I accordingly beg res-
-pectfully to recommend it.

His Excellency the Governor in Council
Fort Saint George

The humble petition of S. Khindrai Rao
lately a Tapal Gornasta, attached to
Teggery a Village in North Arcot District.

Most respectfully sheweth,

That your petitioner had lately petitioned the Government with a request that pension may be granted him with arrears as recommended by the Collector, but the Government have not been pleased to do so, neither have they been pleased to state in their Endorsement the reason why pension should not commence from the date on which he ceased to do duty viz 16th September 1871. Assuming that the reason for issuing such an order is that petitioner had failed to make his pension application in due time, he begs to submit the following statements for your generous consideration with a hope that the Honorable Government

Government will be convinced that such failure did not arise from his negligence. That in so doing he begs to draw their attention to their notification of 17th April 1866 published at page 603 of the Fort Saint George Gazette which runs as follows:

“That it is the duty of the Heads of Offices to explain to their subordinates about to retire all the necessary steps for obtaining pension &c.” That the Collector's Takid of 5th September 1871 intimating the abolition of his office from the 16th of that month was received by him on the 7th idem. That the Sub-Magistrate of Narainvanam had intimated to him to a similar purpose by his Takid of 7th idem. That neither of the Takids received, your unfortunate petitioner was informed of the steps he should have taken to secure pension. That directly he had received the Collector's Takid, he submitted an Arjee requesting to provide your poor petitioner with an appointment elsewhere; for which he was informed that his claims will be

3
74
be considered on the occurrence of a vacancy,
that all these Takids are herein enclosed for
inspection.

That your petitioner did not submit his
pension application owing to ignorance will
not be doubted seeing that he is a servant
of a very inferior order on receipt of Rupees. 7
that he could not therefore be expected
to be conversant with all the rules and
regulations on the subject. That had the
Collector or any of his subordinates directed
him to prefer it he would certainly have done
so long ago; that he should suffer for
their failure in complying with Govern-
ment instructions quoted above is not just.

Moreover that he has a long service of
42 years, his character has all along been
unimpeachable, he has a large family to
support his age is 68 and that there is
little chance of his enjoying his small
pension of Rs 3 1/2, so graciously bestowed
for a long time, and that under these
circumstances he humbly trusts that your
benign Government will be generously pleased
to revise their order, and grant arrears of
pension from the 16th September 1871.

In complying with this request of
petitioner

petitioner who has been a faithful servant
of Government during the long period of
42 years, Government will have to pay
him a small pittance of Rupees 60, though
small it were to them it will be of im-
mense use to him in relieving from the
debts in which he has since his removal
from service been involved.

Your petitioner begs to remain as in
duty bound

Your Lordships Obedient and
humble servant.
