Proceedings of the Madras Government, Pension Department,
6th March 1874.

Read the following papers :—
From the District Engineer, Cuddapah, 14th November 1873.
Do. Officiating Controller of Public Works Accounts, 9th December 1873, No. 99.

ORDER THEREON, 6th March 1874, No. 124.

Application is made for an invalid pension on behalf of Mr. Richard Henry Hayes, late Supervisor, 2nd Grade, Public Works Department, whose superior service amounts to 15 years, 3 months and 21 days.

2. The full pension allowable in this case, under Section 56 (b) of the Civil Pension Code (2nd Edition), is Rupees 59-1-6, but much of Mr. Hayes' service was so thoroughly unsatisfactory that the Government feel constrained emphatically to mark their sense of his conduct by making a reduction in that amount.

3. Mr. Hayes is therefore granted a reduced pension of Rupees 25 (twenty-five) per mensem, payable at Madras from the 5th October 1873.

MARCH

Granting a reduced pension of Rupees 25 per mensem to Mr. Richard Henry Hayes, late Supervisor, 2nd Grade, Public Works Department.

Proceedings of the Madras Government, Public Works Department, 10*th June* 1871.

No. 149. ORDER THEREON, 10th June 1871, No. 1,559.

ESTABLISHMENT, No. 20.

THE further enquiry into this subject since G. O., No. 770, 15th March 1871, does not enable the Government to form a more definite opinion as to the degree of culpability attaching to Supervisor Hayes than that there have been some grave irregularities from first to last, namely,—In the classification of the original estimate as a work of repair when it was in fact a restoration; In the execution of a work on an estimate prepared four years before with the avowed knowledge of its insufficiency and which Mr. Hayes alleges was done with the Superintending Engineer's concurrence and on his verbal instructions, of which however there is no record; In the submission, by the Supervisor, of an emergent estimate for a further expenditure of Rupees 350 on work that the Collector and the Superintending Engineer report as not being of an emergent nature at all; In the desire on Mr. Hayes' part to spend the sum of Rupees 350 on a channel on which 1,300 Rupees was said to have been laid out only a year or 18 months before, and the revenue from which is stated to be but 19 Rupees; In Mr. Hayes' omission to measure the whole of the Contractor's work for which he made payments, and to record the measurements which he says he did make.

2. It also appears that on the 22nd April 1870 Mr. Supervisor Hayes signed a completion certificate to the effect that the work done on the estimate for Rupees 1,300 corresponds in all respects with the sanctioned estimate with the exception of 52 cubic yards of extra earthwork done; while, in fact, the work stated to have been done in no way corresponds with the sanction given. Mr. Hayes' explanation is that he gave the usual form of completion certificate and signed it in the routine of work.

3. The Government cannot too severely condemn the irregularity of signing as a matter of routine a certificate that was in no way applicable to the case. If the certificate had been modified to suit the circumstances, and to exhibit the true state of the case, the Superintending Engineer's attention would most probably have been attracted to the circumstance, and an examination at that time would have clearly shown the quantity of work done; and if there had been any waste or misappropriation of public money it would have been discovered. Moreover, Mr. Hayes' plea that he signed the certificate heedlessly and as a formality is inconsistent with his having varied its form by adding a certain quantity of work as extra to what the estimate provided. Neither can the Government consider that Mr. Hayes' explanations of how he became possessed of the large means for recently buying house property at Madras is at all satisfactory. He was given the

opportunity of submitting any documentary evidence he had in support of his statement, and the papers which he has submitted only show that he belonged to the late firm of Hayes and Co. at Bangalore, but not one of them can be regarded as any evidence of his having been paid any sum of money on account of outstandings belonging to the old firm.

4. The Government consider Supervisor Hayes undeserving of being retained in his present position, and resolve that he shall be reduced to 2nd grade Supervisor, be placed at the bottom of that grade, and be transferred to another division.

In order to guide the Controller in the disposal of claims to salary and travelling allowance on all future occasions of transfer, His Excellency the Governor in Council directs that, in cases in which transfers are ordered for the benefit of the public service, either by Government or by the Superintending Engineers, a note be inserted in the Transfer Order directing the officer or subordinate concerned "to join at the public expense." When this note is omitted, it should be understood that no salary or travelling allowance can be passed for the interval that elapses between the date of giving over charge of the old, and that of assuming charge of the new appointment.

I, Joseph Marcus Joseph M.D. Surgeon Major 37th Grenadiers, do hereby certify that Mr R. A. Hayes, Supervisor Dept. of Public Works, has been under my treatment for nearly fourteen months for Angina Pectoris; and that he is not likely to derive permanent benefit from further treatment, or from change of air. He is, in my opinion, unfit for further service; and to the best of my judgment, such disqualification is not the result of intemperance or other irregular habits

Note.

The Secretary of State's instructions regarding the grant of pensions contain the following remarks

"It cannot be too strongly insisted upon and made known to the whole body of uncovenanted officers that the full pension authorised under the rules is not to be given as a matter of course but only where the service performed has really been such as to merit the approval of Government."

This +despatch is quoted in the Pension Code & is embodied in Section 60: in a recent case where the pension granted amounted to only Rs 40.10.0 per mensem the Govt: of India called attention

+ See page 55 of the 2nd authorised edition to this section & remarked "that the applicants character being indifferent he might have been granted less than the maximum".

Memo for Orders.

Application is made for an invalid pension for Mr. H. Hayes late Supervisor P.W.D.

His service amounting to upwards of 15 years he is entitled to a sick pension of Rs 59-1-5 but it is observed "that in ° June 1871 he was degraded for grave irregularities and for an unsatisfactory explanation as to "how he became possessed of the large means" with which he had been buying house property in Madras," and that from that date he appears to have done no more work but to have obtained

° D.P.W. S.O. 10th June 71 No: 1559. (Put up) obtained, and remained on sick leave until his retirement in October 1873.

His case much resembles that of Videnayagum + Pillai recently circulated and orders are requested as to the amount of pension that should be admitted.

I do not think we can altogether refuse a pension - this would have been the concomitant of dismissal - which penalty Govt. did not see fit to impose. But I would emphatically mark our sense of his conduct & character, by reducing the pension to Rs 25 p.m.

+ also, tho - the Pillai, unlike the East Indian, was not suspected of growing rich unlawfully -

Besides Mr. Hayes's last employer an superior officer "considered him to be utterly "untrustworthy"

He has not, by subsequent good service, effaced the bad records wh. stand against him. As he has so much house property, he might live on the proceeds. It seems a sad diversion of public money from its proper objects, to pension a man like this -

D - 5/2 -

Have known of Hayes for years - believe him to have been one of the most corrupt men that ever was in Govt. service.

I agree with Mr. [illegible] and think that an order absolutely refusing pension would stand. ~~Whereas~~ The small pension we can justify - should not exceed Rs. 25 p.m.

7/2

It seems that for his misconduct he was punished by degradation: and what is now proposed is, to further punish him by greatly reducing the Pension to which he is entitled! ~~[illegible]~~ Have we power to do this? and that for an offence committed & punished some time ago? It wd. be punishment by an afterthought, and which ought to have been awarded at the time +.

+ the mere acquisition of property can be no reason for refusing a legitimately earned pension.

Application is made for an invalid pension in behalf of Mr Richard Henry Hayes, late Supervisor, 2nd Grade, Public Works Department, whose superior service amounts to 15 years 3 months and 21 days.

2. The full pension allowable in this case, under Section 56(b) of the Civil Pension Code (2 Edition), is

is Rs 59-1-6, but much of Mr Hayes' service was so thoroughly unsatisfactory that the Government feel constrained emphatically to mark their sense of his conduct by making a reduction in that amount.

3. Mr Hayes is therefore granted a reduced pension of Rs (25) twenty five per mensem, payable at Madras from the 5th October 1873.
