Sir

In answer to Official memo No 4112 dated 18th December 1873, I have the honor to state that I have no papers to prove Shaik Boodan "voluntarily resigned the service" though it is my impression that he did so. His discharge certificate shows him as dismissed "unfit for further service" which I would suggest reads that he was discharged by order of Superintendent.

Sir,

I have the honor in answer to your endorsements on the petition of P.C.C. Shaik Budden No 38 to report that he is shown on our books as discharged at his own request; but as he had whilst serving in the Police lost the fore-finger of his right hand and as the Apothecary then in charge certified that his loss was from leprosy I altered his discharge certificate to the words "as unfit for further service".

He had for a long time before his discharge been only used as Hospital orderly on account of his infirmities and after his discharge I tried to obtain him a pension, but I think the Medical Officer applied to certified that the loss of his finger & other infirmities were by no means from leprosy or by wear & tear of Service.

I cannot state for certain why my attempt to obtain him a pension failed as most of my office records are at Koraput and I myself am at Waltair. I will report further on his case on reaching Koraput in about 3 weeks time.

His services in Jeypore were 7 years 3 months and 15 days. I have no means of ascertaining his services in the Sibbandy.

I return all the enclosures accompanying your docket under reply and have the honor to be

Sir,
In continuation of my letter No 81 dated 4th Novr. 1873, I have the honor to state that I cannot find from my records that Shaik Booden ever appeared before a medical board.

There is a letter to Vizagapatam Supt. of Police asking to name his services in the sibbundies evidently with an intention of recommending him for a gratuity, but I can find no answer of this letter nor any other record about Shaik Booden except enclosed medical certificate.

I suppose Shaik Booden left Jeypore before his case was clearly made out.

I enclose a recommendation roll with the Apothecary's certificate which I have found in case Govt. consider it sufficient grounds for a gratuity.

I have the honor &c

I Thomas Dixon 1st Class Assist: Apothecary Police Establishment Jeypore do hereby certify that 2nd Class Constable Shaik Boodun No 38 C Division of the Jeypore Police Force, has been under treatment frequently since 1864, for Intermittent Fever, Disease of Spleen, and occasional attacks of Rheumatism. During a greater portion of last year he suffered severely from Chronic Rheumatism.

In 1866 he suffered from ulceration of the thumb and index finger of right hand, several small pieces of bone came away, leaving the joints stiff and deformed, preventing him from grasping a musket firmly.

Although he was under treatment frequently for the affection of Spleen, repeated blisters also were applied but without any effect. He is not likely to benefit permanently by further treatment or from change of Climate, and is in my opinion unfit for any further service and to the best of my judgment such disqualification is not the result of intemperance or irregul habits -

No. 461 Chief Office of the Inspector General of Police,
Madras, 4th February 1874

From

The Inspector General of Police,

To

The Chief Secretary to Government
Fort Saint George:

Sir,

Enclosures. Three

With reference to the endorsement on Petition No 2304 of 1873 (herewith returned) from Shekh Boodeen late 2nd Class Constable of the Jeypore Police I have the honor to State that there has been an irregularity of procedure with regard to this man which cannot now, apparently, be satisfactorily explained-

2. On report being called for Captain Blaxland the Superintend

=ent of Police Jeypore has forwarded with his letter (No. 84 of 3rd December 1873) a Certificate of Petitioner's unfitness for further service granted by Assistant Apothecary C. Dixon on the 30th January 1869 - The Superintendent also states that information had at that time been applied for regarding Petitioner's former service in the Vizagapatam Sibbundies - No answer to this application would seem to have been received and Petitioner continued to serve in the Police until the 16th May 1871 when he was discharged -

3. The first entry in the Discharge Certificate was

Resigned.

"Resigned the service at his own request" and a similar entry appears in the Monthly Return furnished to this Office - Captain Blaxland however states in his letter No. 81 dated 4th November 1873 that as Petitioner while serving in the Police had lost the right finger of his right hand and the Apothecary in charge certified that this loss was from leprosy, he (Captain Blaxland) altered the entry in the Discharge Certificate to "Discharged as unfit for further service" - This being so, and as Petitioner had by that time served more than 7 years he should have been recommended for Gratuity

on

on Medical Certificate in the usual Course.

4. But there would appear to have been some Confusion in the matter. In letter No 81 of the 4th November Captain Blaxland States that he tried to obtain a pension for Petitioner but thinks that the Medical Officer applied to Certified that the loſs of the Man's finger and other infirmities were by no means from leprosy or wear and tear of Service - In letter No 84 however the Superintendent States that he cannot find from his records that Sheik Boodeen (the petitioner) ever appeared before a Medical Board. A Recommendation for a Gratuity of Rupees 47 for 7¼ years Service has now been forwarded by the Superintendent (with his letter No 81) this Recommendation Roll being founded on the Apothecary's Certificate given more than two years before the man's discharge - Finally in Letter No 92 dated 20th January 1874 the Superintendent States that he has no papers to prove that Shaik Boodeen "Voluntarily resigned the Service" though it is his impreſsion that he did so - adding however further on that the man's (Discharge Certificate Shows him as dismiſsed "Unfit for further Service" the reading of which he (the Superintendent) would suggest to be that petitioner was discharged by Order of the Superintendent.

Cont

5. Out of all this confusion the fact stands clear that the petitioner would have been entitled to a Gratuity in May 1871 if he had been discharged on Medical Certificate in a regular manner- He now asks either for Gratuity or for restoration to the Service declaring himself competent to perform his duty. I would suggest therefore that he should now be admitted to a Medical Examination- that if pronounced fit he should be restored to the Service but if unfit (as he doubtless is) he should receive the Gratuity to which he is entitled by length of Service- The petitioner claims 7 Year's Service in the Sibbundies which there may

perhaps

perhaps be difficulty in verifying- Moreover pension or Gratuity for mixed Service can only be claimed under the new Rules which were introduced subsequent to petitioners dismissal- The Petitioner having been under the Old Police Superannuation Fund rules would appear to come under the operation of Para 2 G. O. No 868 of the 14th June 1864-

The word "dismissed" in the Assistant Inspector General's endorsement upon petitioners former application to this Office was used erroneously- instead of "discharged"-
