Government of
Madras

Sir,

I have the honor to reply to the Proceedings
of Government Pension Department, No. 566, dated 4th
November 1873.

2. I have obtained a report from the Dy. Collector
in charge Namkud Division upon Pulloor Rama
Row's case.

3. From this, it appears that in May 1872 Mr. Longley
and the Deputy Collector Mr. Pritchard, were at Trichingode
where the Taluk Officials were examined and Rama
Row was selected as one of the men to be called upon
to retire. On the 21st May, of the same year, the Deputy
Collector sent a Taluk to the Talukdar stating that the
services of Rama Row, as he was a man "of service" and
"unfit for work," were dispensed with and that he was
to be sent to the Taluk Surgeon for the purpose of obtaining

-ing a Medical Certificate. That Officer refused to grant
a certificate of unfitness for further service and Mr. Pritchard
then, in a Tahsil dated 28th June 1872, stated as the Tasildar
had reported so unfavorably upon Ramna Row (the Tasildar
had in arzi said that this man was "weak in body,
very slow in his work, and not active enough for a
Joomastah") that though the Toillah Surgeon certified
that he was fit for further service he was dismissed.
Ramna Row on this petitioned Mr. Longley who passed
the endorsement quoted in my letter to the Accountant
General No. 50 dated 30th August last, when writing
which I was not aware that any formal order of
dismissal had been issued. I asked for all the papers
and had only those directing the man's retirement
brought me. Mr. Longley always wrote Proceedings in
appeals and as he gave only an endorsement in this
particular instance, I had no reason to think that there
had been any appeal preferred.

I have the honor to be,

Sir,

Your most Obedt servant
