Governor-General of India

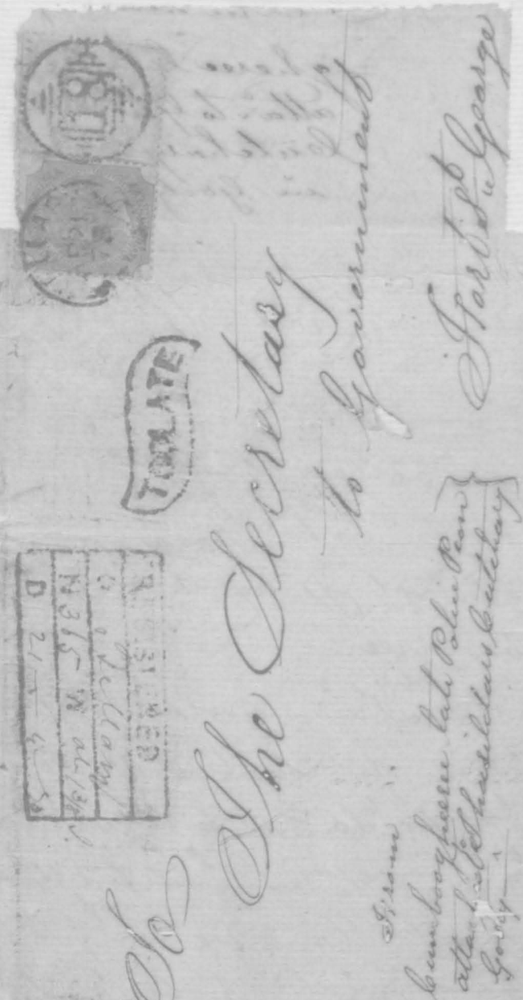
Most honored Sir

With utmost respect I humbly
Solicit permission to lay before your honor
my deplorable and uncared of circumstances
for your honors favourable consideration &
orders -

I was a late police poon of the Gooty
Taluq Cutcherry, Bellary District, Madras
Presidency - of the Tahsildar Superintendent
and under the control of the Collector - my
name is Combrogiree.

I have served as Police poon in the
said Taluq and in the said District for a
period of (42) forty two years, and given
every satisfaction to my immediate -
Superiors; But at the abolition of the
old Police Establishment, those individuals
who were under Service were transferred
to the new police and those above were
recommended for pension

I was one of them to be brought-
on the Pension Establishment; and the
then Tahsildar, Narain Pol - of Gooty Taluq.
Sent in 353 1874



Ins. 1916 of 1873.

Taking Said that he would refer to Govt. to await their decision through his department and moreover ordered those that are willing, to go to native places to wait until orders received from Government. Accordingly I went to my native place Thayla[illegible] putty in Cuddapah Dt. to reside for a short time and to wait for the decision of Govt. regarding my pension. But unfortunately I fell very ill and was laid up for the space of (2) two years

After my recovery I was given to understand that those individuals who proceeds with me in the Native Debt and who were of less service than myself were pensioned and that I was left out of pension and no notice taken of-

I then petitioned the Collector of Bellary, who endorsed the same to the Tahsildar of Gooty - who, in reply, sent in a statement of my service after looking into the Records. I was then sent for from Gooty to the Collector for medical examination to ascertain whether I was fit or unfit for service; and being unfit, I was asked where would I like to get my pension and I said to Gooty -

I was waiting for a long time for a reply from Government and there was no answer. I applied to

to the Collector again on the same subject - who endorsed on the petition that the Govt. have declined to grant my pension

I then applied to Govt. to take my case into consideration and to have pity on me who have served the Govt. for a period of 42 years. But the Govt. have declined to comply with my request.

Consequently I am now obliged as a last resource - to have recourse to your honor's mercy - I am unable to serve Govt any longer - and am very old and feeble - and so have no look after me - I beg therefore that your honor's benevolent Govt. will take my case into consideration and order for my pension according to the rules which my colleagues have received - for this act of charity and benevolence I shall ever pray -

I beg to remain
