FROM THE DEPUTY ACCOUNTANT GENERAL,
TO THE GOVERNMENT OF MADRAS,

To The *Subordinate Judge* *South Malabar*

VIDE your Office application for *Supernumerary* on behalf of
Mr. Gonsoules.

The undersigned has the honor to request explanation on the following points:—

Whether are there any precedents in which service as Constable has been allowed by Government to count towards superior pension; if so, please quote Government order in its support and send copy of authority under which this appointment was created in August/41.

Why the Applicant is not being allowed a pension drawn by him during the last five years, were also taken in Calcutta being average pay while he does not appear to have been confirmed in the same grade section by (C) C. P. Code.

Please insert signature in column page 2 of the service book & the reasons after having given in column of the reasons of commendation of each app't.

Offy Dy Accountt. General

N^o 152.

The applicant, though designated "Constable" in the Service Register (confirmed by my predecessors) drew Rs 15 as Officer entrusted with the Service of Process under 105th Clause 53rd George III Cap. 155, but was in fact doing also the duty of a Clerk. Copy of letter from Government sanctioning the appointment and of the opinion of the Advocate General are herewith sent. As no provision is made in the Civil Pension Code with regard to either of these appointments and as the incumbent drew a pay of more than Rs 10 per mensem, he is, in my opinion, justly entitled to count his service from 2nd August 1841 to 15th September 1843 as superior service.

2. On the post of 2nd Writer becoming vacant the applicant was appointed to act on full pay, which accounts for the salary attached to that post being inadvertently taken in calculating the average pay.

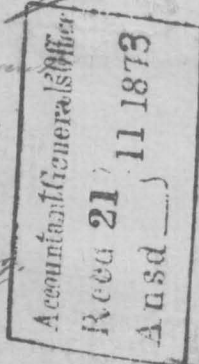

3. The Service Book has not been received.

Madras, the 20th of November 1826

Sir,

In obedience to the direction contained in your letter of the 26th of September last, I have the honor to submit for the information of the Honorable the Governor in Council, my sentiments on the questions communicated for my consideration.

I am of opinion that the Jurisdiction given by the 83^d of George the 3^d C. 105 Sect. 105 to the Magistrates in the Provinces, being Justices of the Peace, must be exercised according to the forms and practice of the Law of England; and that the Proceedings and every conviction that may ensue should be strictly formal and regular.

in as much as the same are liable to be removed, by Writ of Certiorari, into His Majesty's Court of Oyer and Terminer and Gaol Delivery at Madras; where the Proceedings and conviction, in case of removal, would be examined and reviewed, according to the Rules and Practice of the Law of England. and as the statute has directed the particular mode of review, provided the proceedings or conviction shall be questionable. I apprehend that it is not competent by Regulation to make such proceedings appealable to the Judge on Circuit or to the Provincial Court collectively.

I have the honor to be
