To

The Tahsildar of Managudi Taluk
 your a/c No. 116 of the 19th
 September has been received. Your
 various arguments in support of the
 late Tahsildar's remarks for
 neglect of duty in the examination
 of the estimate of outturn and in the
 harvesting of the Amari villages to
 the effect that discrepancies would
 occur in such examinations are
 quite inadmissible. You will be
 more careful in future to avoid
 writing such absurdities. Of the
 four men dismissed for the same
 fault you say that you have em-
 ployed two men in accordance with
 my verbal instructions and that
 the other two should wait till
 vacancies arise, this is not proper.
 I see no reason to approve of
 your

your recommendation in favour
of those who were found fault with
in the examination of the estimate
of outturn and of your unfavourable
remark against the individual
who was attentive to his collections
work to the effect that he is
not fit to be in the public
service. Considering the long services
of Narayana Chetty, Survothma,
Narayana Sanny & Venkatasubba
who were dismissed for various
reasons from the appointment of
Taraff of the villages attached to
Kalli Malay jagher and the fact
that these villages have been
rented out this year, I think
that these low paid servants
having been out of employ till
now is itself a sufficient
punishment to them. They are
accordingly excused and restored

to their respective divisions as Taraffdars.
You will warn them that even the
slightest fault on their part
brought to notice hereafter, will
not be pardoned. Subbion one of
the 4 men now acting in those
divisions is transferred to his
appointment of Taraff of the
village of Perumbakkam in
Villupuram Talug and you will
send him to the Taraddar of the
Talug with your letter. You will
appoint Narayana another of the
said four to the vacant Taraffship
of Edias & other villages in your Talug.
The services of the other two will be dispen-
with. In all matters of this kind you are
in future duly solicit for instructions by
arji & act according to the orders you may
receive thereon. (Signed) W. D. Davis

To

The Sautdar of
Innargudi.

On examining the
account of produce of the amani
waraput lands of Kattamalay
Melpathy, it is found that
the average yield per cawny,
of the 177 cawnies harvested by
Jungama Razu Kotwal of
Yamkottai, is $15\frac{1}{2}$ Cawns. The
average yield of the harvest made
by some other officers is in excess.
As the village is well irrigated
by the Veerannam tank the produce
of the lands must be greater.
It is evident that the Kotwal aid-
ed the ryots who were inclined
to embezzle the Cincas Melvorum,
and did not perform the harvest

work properly. The useless grounds
stated in his deposition made
before me are inadmissible.

As it is necessary that
such a person should be punished
he has been dismissed from
his place of Kotwal and a
Fakid to this effect has been
sent to the Tasildar of Chedem-
heram. This is communicated
on for records. As Tentet-
royer the Taraff of the said village
aided them in causing a defi-
ciency in the produce of the
lands he is also dismissed.
His name should be struck off
to pay a betraet.
