*Proceedings of the Madras Government, Public Works Department,
18th March 1874.*

No. 471. Read the following letter from Lieut.-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel G. W. WALKER, R.E., Chief Engineer and Secretary to Government, Public Works Department, dated Fort St. George, 9th March 1874, No. 5,631:—

In my letter No. 4,506, dated 20th December 1873, to your address, I have applied for one day's sick leave (for the 5th December 1873) to be granted to Mr. David Thompson, Mechanical Engineer, in extension of the twelve months furlough granted to him on sick certificate. He has subsequently been pronounced physically unfit for further service, and a medical certificate was furnished and forwarded through the usual channel in view to obtaining one-third pension.

2. The amount of his pension will be Rupees 116-10-8 per mensem.

3. He has received no pay since 6th December 1873, and is utterly helpless being in a half-paralyzed state, and his wife has been to me to-day to represent that she and her husband are in immediate want.

4. Mr. Thompson is an old and respectable servant of Government, and I have no hesitation whatever in strongly recommending that I be permitted immediately to advance to him the sum of, say, Rupees 100 to meet immediate calls, as I am satisfied his case will be eventually favorably considered by Government.

No. 472. ORDER THEREON, 18th March 1874, No. 737.

ESTABLISHMENT, No. 27.

SANCTIONED, subject to recovery in two equal monthly instalments when pension is disbursed to Mr. Thompson.
