CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 15 years 11 months
equal to 1/2 of his average pay

4 days; and that a compensation {pension} not exceeding Rs. 9-10-7, for service, is admissible under Section 56 (6) of the Civil Pension Code. The calculations have been duly verified.

It appears from remarks on the 3rd side of the application that the man was provided with a situation the pay of which is less than what he was getting before he was thrown out of employment.

The subordinate's name in his letter No. 27 of the 4th instant recommends the application for half pension as a special case, certifying that the 13 1/2 years service (from 18th Sept. 1853 to 26th March 1867) which has been required as existing on the ground of the salary having been below Rs. 100 per annum was in reality of a superior character. The case is not provided for in the Code, the nearest Accountant-General. I apprehend it is being in Dec. 40 (4). but the Government has in its order 308 of 15 January 1874 negatived a similar recommendation.
