Para 9 The Acting Collector of Masulipatam sees no objection to the Establishment proposed by the former Commissioner Mr. Elliot for Pondraca, the Cotar to be retained, with the reduction of the Superintendent's salary to Rupees 150 per mensem as suggested by Government. He proposes to entertain seven additional peons at a charge of Rupees 28 per mensem, to aid the servants deputed from Pondraka in disposing of the salt in store at the abolished Cotar of Innuguduru. By these arrangements a present saving of Rupees 25-14 a month will be effected in the Establishments hitherto maintained for the two Cotaurs, and of Rupees 53-14 when the services of the extra peons are

The Board support the Collector's propositions, and the Government are pleased to sanction the Estimate for Pondraka at a charge of Rupees 448 per mensem as detailed in statement No 2 and to direct that it shall take effect from the 1st July 1856. They also authorize the entertainment of several additional peons at Innuguder at Rupees 28 per mensem, until the sales of salt at that place are completed, when their services will be dispensed with and intimation of the same be made to the Board.

Read again the following letters having reference to the instructions contained in the Minutes of Consultation of Government under date the 10th May 1856. for the discontinuance of certain salt Cotaurs and alteration of salt Establishments in the Northern Circars.

× × ×

5 In reply to the Proceedings of the Commissioner dated the 30th June 1856 the Acting Collector stated that he had not found it necessary to make any alterations in the list of the Establishment of Pondraka as arranged by the late Commissioner with the reduction suggested by Government of the Superintendents salary to 150 Rupees per mensem, and he requested that it might be sanctioned from the 1st July. The salt in hand at Innugeduru was to be sold by servants deputed from Pondraka aided by seven additional Peons at a monthly charge of 28 Rupees. The total falls short of the sanctioned charge for 2 peons by Rs 25-14-" as shewn in the margin, and eventually the decrease will be Rs 53-14-. The Board therefore recommend that the Establishment for Pondraka as detailed

Your arzee No. 4 dated 5th instant and the records therewith have been noted, when Shaik Imám the Measurer was committing the theft of the salt the Nátágars Ramsing, Gangaram and others who were taking care of the heaps of salt were present. It would therefore appear that the theft was committed at their connivance. Besides this their previous conduct was also bad, these Nátágars ought to have been at once dismissed but as you have personally recommended that they might be excused with a slight punishment for this time, Ramsing and Gangaram are suspended for two months from the date this Hukum reaches you and Tótakúra Rájanna and Lal Mahommed was appointed in their stead. You will therefore see that the Baravard is prepared accordingly.
