REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant.

The Sub Collector under whom this officer served makes the following remarks. "The applicant is a man of the old school and not so efficient at any time as he would have been if he had known English and been generally better educated. He has maintained a good character, however, during the 5 years (nearly) I have known him, and has done his work to the best of his ability. He is getting old and past his work now, and is, I think quite entitled to the full pension due to his length of service."

2. Explanation of any suspension or degradation.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks.

Applicant was placed out of employment on the 31st October 1871, on the supposition that this was absolutely necessary under the 55 years rule, but reinstated in the same office and permitted to serve for a higher rate of pension. Government Order dated 9th April 1872. No 581- R.D.

The Sub Collector further states, "I have now examined him and find him very weak in body and losing his sight from incipient Cataract."

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.
