Translation of Urza No. 52
from the District Moonsiff of Tinnevely.

The Moonsiff forwards for the
Court's favorable consideration and order,
the application for pension, submitted by
his Court Masalji Ramen, who being 77
years old, is incapacitated for further
service.

In 1843, when the Civil Court
was established in this district, this man
was employed in the post in that Court
on a salary of Rupees 4, and was transferred
to this (Moonsiff's) Court at his own
request in 1867. In these two Courts, he
has been very trustworthy and has been
doing duty very diligently during these thirty
years. From the Certificate given by the
Additional Moonsiff Srinivasa Charlu,
this man appears to have behaved himself
properly during the time he was doing work.

there in addition to his ordinary duty.

As the scanty pay of Rupees 4, was barely sufficient for his maintenance, he has no means of obtaining a livelihood to support himself for the remaining days of his life.

It is absolutely necessary that the Government should show kindness to such a poor & trustworthy servant, who, with this small pay, has been serving for such a long period, so as to enable him to maintain himself according to his poor state.

I therefore request that as a special case, the Court may be kind enough to get him an allowance of Rupees 2 per mensem for the remainder of his life.

The man is unable to give the date & other particulars of his employment in the Civil Court & these are to be taken

from the records of the District Court.

I therefore send him with this Order.

As this Ramam is incapacitated, I request that one Chudeleimuttu, who appears to be a competent man, and who is now acting, may be confirmed in the post.
