1st Grade Delta Superintendent
N^o II Range Godavari Dist.

Most Honored Sir

I had petitioned your highness
on the 24th January 1874 that my husband Goudiwada
Sectaramaswamy Moidee a retired Delta Superintendent
1st Grade N^o II Range G. Dist. died on the 21st January 1873
leaving me and his four children to the sole protection
of the English Govt., and requested your generosity to grant
me with gratuity, towards my husband's continual
service of 27th 26-2, in the D.P.W.; for which I had not
received any order up to the date.

My husband retired on the 25th June 73
under the medical certificate, which was submitted
to your Govt. for the grant of pension; but during his

Now if I were to receive only the very small amount of pension for the days he lived I had no means of providing my young children for some time more.

I have no father, mother, father-in-law,
no other in-law, or husband. Brothers are - that is,
I have none but two young children.

Therefore I humbly solicit your Govt^y
to favour me with gratuity towards my husband's
long service, instead of pension for the few months
he lived. It is not a great thing to the judicious
Govt^y to protect a helpless widow of an old and
honest servant.

The humble representation of

of a retired 1st grade Delta Supt.

No II Range Goovery District.

Most humbly sheweth

Your honor's poor & helpless
Petitioner's husband Gudivada Sektaramaswamy
Naidu a retired Delta Supt died at 4 P.M.
on the 21st instant, (January 1874) leaving
her & her children to the sole protection
of the English Government in which he served
for a period of 26 years and 2 months. Her husband
retired on the 26th June 1873 under the Medical
Certificate which was sent to the Government
for pension.

Even from that time she & her husband
spent a poor life in this world by want of
monthly payment.

Now your honor's petitioner is entirely
in a wretched state by all means. She had
no protectors such as Father, Mother.

matured son, Father-in-law, Mother-in-law
or husband's brothers even; but she only
finds the English Government to protect her.

Therefore your helpless petitioner solicits
the English Govt to favor her with gratuity
towards her husband's service by which she
may be able to get on with her children for
some time until her only son of 2 years
arrives to maturity; because she thinks
a very small amount should be given to
her by the Govt if pension only be granted
for the last few months.

For this act of charity she and
her poor young children shall be in duty
bound and ever pray.

servant's widow
