TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

Mahomed Kabil Saib, late Sub-Magistrate of Baminigam, on the Agency Establishment of the Governor's Agent, Ganjam, has been compelled to apply for an invalid pension, "being so entirely prostrated by hill fever that it would be death to him to serve longer." His qualifying superior service has been twenty-eight years, two months, and ten days, and the pension to which he is entitled under Section 56c of the Civil Pension Code amounts to Rupees 64-11-5 per mensem.

2. All his service has been passed in various departments—Survey, Agency for Suppression of Human Sacrifices, Magisterial—working among the notoriously unhealthy hill tracts in the Northern Circars, and had he been able to withstand the effects of the climate some thirteen months longer, his pension, calculated with reference to Section 66b of the Pension Code, would have amounted to Rupees 75 per mensem.

3. I am now directed to say that, under the peculiar circumstances attending the case, His Excellency the Governor in Council would request sanction for granting to Mahomed Kabil Saib, who was an excellent public servant, the higher retiring allowance to which he would so shortly have been entitled.

I have the honour to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,

5th January 1874.

*Proceedings of Government, Pension Department.*

Read the following papers:—

From the Agent to the Governor of Fort St. George in Ganjam, dated 9th January 1873.

Do. Deputy Accountant-General, dated 17th November 1873, No. 399.

ORDER THEREON, 5th January 1874, No. 1.

Application is made for the grant of an invalid pension to Mahomed Kabil Saib, late Sub-Magistrate of Baminigam, on the Governor's Agent's Establishment, Ganjam.

2. Under Section 56c of the Pension Code he is entitled to a monthly pension of Rupees 64-11-5 for an actual superior service of twenty-eight years, two months, and ten days.

3. All this service appears to have been passed in the hill tracts in various capacities, and in various departments, and the Governor's Agent recommends that, owing to his having served in the most unhealthy part of the country, "his case may be considered an exceptional one, and that a pension equal to one-half the salary attached to the post last held by him (viz., Rupees 75) may be granted to him.

4. His Excellency the Governor in Council observes, that had the applicant's health enabled him to serve some thirteen months longer, he would have been entitled to a pension of the amount now applied for, and, as the failure of his health is attributable to his lengthened service in a climate notoriously unhealthy, he resolves to recommend to the Government of India the grant to Mahomed Kabil Saib of an invalid pension of Rupees (75) seventy-five a-month.
