*Proceedings of the Madras Government, Pension Department,
15th June 1874.*

Read the following papers:—

From the Commissioner of the Nilgiris, dated 12th June 1873.

„ Deputy Accountant-General, „ 30th April 1874, No. 6.

ORDER THEREON, 15th June 1874, No. 337.

Shaik Hoossain had only completed thirty-one years, four months, and twenty days' service when transferred to the Municipality. He had not, therefore, served Government long enough to obtain an invalid pension, and he is, it appears, still in active employment.

2. Under these circumstances, the Government cannot now consider his claim to pension; but, on his retiring from service under the Municipality, the Commissioner can resubmit his application, intimating at the same time what that body are prepared to do for him.

To the Commissioner of the Nilgiris.

Memo. for Orders.

The Commissioner
of the Dilgherries for-
wards an application
for a gratuity for one
Sheik Hussain who entered
the Government Service as
a peon on the 1st January
1835 and remained in it
until 31st March 1867 with
the intermission of about
two and half months in 1868,
when he was out of employ-
ment owing to the abo-
lition of the establish-
ment in which he was
then serving. This estab-
lishment consisted of
persons employed on a ferry
across the Pykara River
and was abolished when
the river was bridged.

Oct. of 1874 BY ORDER.

PENSION.

To
THE COMMISSIONER OF THE DILGHERIES,
&c., &c., &c.

Dated June, 15th.

Recd.

G. O., 15th June 1874, No. 337.

JUNE

Intimating that the peon Shaik Hoossain has
not served Government long enough to obtain
pension and that his claim will be considered when
he retires from the Municipal service.

2. Thiek Hussain was
apparently ^{on promotion}
appointed to it in March 1843
after he had been eight
years in the service and
remained with it until
its abolition in June 1844.

This period the Deputy
Accountant General
would exclude on the
ground that it was ser-
vice on a temporary
establishment. It is
however observed that
the Commissioner re-
ports that off-
his

Musht was borne
in the Pay Abstract as
Permanent establish-
ment and it seems
to have been in existence
at the time the Deilghery
Sahib was attached
to the Malabar District.
It is not therefore clear
why the Deputy Ac-
countant General
should

should style it a
temporary establish-
ment, but, whatever
its technical name,
it is evident that Thiek
Hussain was a permanent
servant.

3. During the latter
part of his service
Thiek Hussain seems
to have been employed
in connection with the
collection of tolls in the
market at Colaba-
mund and on the
introduction of the
Municipality he seems
to have been transferred
to it with the market
as one who knew the
business to be done.
This transfer the Dy.
Accountant General
treats as a resignation
of the service and therefore
reports that Thiek Hussain
is

is not entitled to any
retiring allowance but
it is clear that the man
himself had no idea
that by acquiescing
in the transfer he would
forfeit all his previous
service. Though upwards
of 70 years of age he ap-
pears to be still in the
service of the Municipality
and had he therefore
remained attached to
the taly Kacheri he
would long since have
completed the 35 years
service, which would
have entitled him to

an invalid pension when
certified unfit for further service.

4. Shrik Kussam
had only completed
31 years 4 mos. & 20 days
service when trans-
ferred to the Municipi-
-pality. He had not
therefore served Govt.
long

long enough to obtain
a pension and as more-
over he is still employed
it is difficult to see
how an application can be
made now to the Govt.
of India for a special
pension for him. It
is therefore suggested
that the Commissioners
should be directed to
resubmit the applica-
-tion when Shrik Kussam
retires from his service
under the Municipality
and to intimate at the
same time what that
body are prepared to
do for him.

But out of the period of 31 years 4 months and
20 days the first 13 years 10 months and 21 days have to be
rejected. being service of 8. - 7 - 12 in the Salug followed
by transfer to a temporary Establishment called the Boat
Estatⁿ which was abolished in June 1858. and the
subsequent period of 17. 5 - 29. also does not count
the man having resigned his permanent appointment
in the Salug for service under the Municipality. The
Commissioners report as follows on the case.

"The applicant who was employed in the Neilgherry
Salug in collecting tolls in the market states that the then
Tahsildar told him to join the Municipal Commission when
the tolls were transferred to the Municipality, he having
"had experience in the work and he under the impression
"that his service in it would count towards pension
"resigned his appointment in the Salug and took up
"the one in the Municipal Commission. It was
thought

thought hardly fair after 31 years service to
deprive him of the benefit of a compassionate
allowance and thus make him suffer for his
ignorance.
