to three men named in the margin of the Madura District.

2. They have served in the Revenue and the Police departments for the periods entered opposite to their names and are stated to have borne good characters. They are now unfit for further effective service as certified by the annual Medical Invaliding Committee

Committee and the local Medical Officer.

3. The individuals are entitled to the amounts of gratuity set opposite to their respective names for their qualifying service in the Police Department under Section I of the Police Superannuation Fund Rules according to scale A Section 104 of the revised Civil Pension Code.

4. With reference to the medical Certificate of Constable No. 500 being signed by a single Officer and the cause of delay in submitting the rolls of the other two the Superintendent of Police in his letters Nos. 174, 175 and 176 dated the 11th Instant, gives the following reasons:—

"The unfitness for further service of Perumal Naidu was not known at the time the invaliding Committee sat. He was admitted into the Police Hospital since and having been found unfit for effective service was discharged from the force on the 14th April 1874."

"As there is only one Medical Officer stationed at Madura the signature of the second could not be obtained."

"Moottoosamy Servay was discharged on the 20th October 1873. He did not give a statement of his service till the 16th November. On the 17th November the District Magistrate was written to, for a verified statement which was received on the 2nd April 1874. As it was incomplete and Moottoosamy was absent from Madura the affidavit was taken on the 18th and received on the 27th. Hence the delay in submitting his roll."

"Constable Kristna Pillay first stated that he had no previous service. The roll was under preparation with those of others who were discharged with him and when it was almost ready it was ascertained that he had served in the Revenue Department. On the 20th January 1874 application was made to the Collector for a verified statement of his previous service which was received on the 12th April. But as that was not complete he was sent before the Deputy Magistrate on the 18th and affidavits were received on the 24th April and hence the delay."
