Memorandum for orders

In August 1872 one
Prosser saw my brother
petitioned Government
stating that in May 1863
he was discharged from
old age and infirmity from
his post as Commissariat
Surveyor to the Hospital of
H. M's 69th Regt. then at Madras,
after serving the Government
in similar offices, tempo-
-rarily or permanently,
since 1826. He had, he said
on his retirement, applied
for a pension but, owing to
his going out of his mind
and remaining in such
state for nine years, he
had been unable to follow
up his application

2. In support of his
statement,

Statement as to his mental
aberration there is no evidence,
except such as may be de-
duced from the fact of
his lengthy silence on the
subject of his claims.

3. A certificate of
December 1826 shows that
he had ~~recently~~ performed
the duties of Conicopoty
(or surveyor) to a detachment
of the 13th dragoons, but he
does not claim to have been
employed in a permanent
manner until the year 1834

4. The Controller of
Military accounts reports
that Mookosawmy acted
as a Conicopoty from October
1834 to June 1835 when he was
discharged, and that he
was again employed in
July 1837 from which date
until his discharge in
May

13-4
May 1863 his services have
been verified in various
offices with the exception
of a period of about 4 years
in 1840-44

5 To account for him-
self in these four years A)
Mookosawmy produces
authenticated copies of
certificates and letters from
which it appears, that ⁱⁿ
in 1838-40 he accompanied
H. Esq's 41st Regt. from Barrack
to Belgium, and thence
to Seind when the regi-
ment joined ~~the~~ ^{the} Field
Force & that he stayed
with it until it left in 1863
for England, when the Colonel
and Medical Officer wrote
favorably of him, and
the former recommended
him for pension. In Decem-
ber 1843 the Commissary
General at Bombay
wrote

wrote that Moolosawmy
was to be sent to Vengorla
and recommended his
being employed.

If this Govt. allow
Moolosawmy's service with
the 41st. Queens when in
Sinde to count for pension
he can be granted a pension
of Rs. 9-5-4 per mensem;
provided always that
they are satisfied that he
was at the time of his dis-
charge unfit for further ser-
vice. No document in sup-
port of this can be found
but as he was then 63 years
of age and had seen much
active service, his incapacity
may fairly be presumed.

If the pension is granted
it is presumed that it may
be granted in arrears ^{from} the
1st of ^{May} 1863. Bring the
date of his retirement
