*Proceedings of the Madras Government, Pension Department,
25th June 1874.*

Read again Proceedings of Government, Public Works and Pension Departments, dated 18th March and 19th May 1874, Nos. 737 and 1338-A, and 5th May 1874, No. 243.

Read also the following letter from Mrs. A. C. THOMPSON, to Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, dated Madras, 3rd June 1874:—

I beg to report, for the information of Government, the death of my husband, Mr. David Thompson, late Mechanical Engineer of the Public Works Department, which melancholy event occurred on the 1st instant.

2. In adverting to G.O., dated 5th May 1874, No. 243, and communicated in your endorsement, dated 15th idem, No. 736, the Government were generously pleased to grant a superannuation pension to my late husband of Rupees 116-10-8 as a mark of their approbation of the services rendered by him, which munificent grant my dear husband had not the opportunity to enjoy. I, therefore, beg to solicit that you will be kindly pleased to recommend my peculiar case for the favourable consideration of Government, and obtain for me and my unfortunate children an amount equal to one year's pension, which will enable me to tide over the many difficulties with which I am at present surrounded.

3. I am now left a widow with four orphan children, all of tender ages, and the humble request which I now make, if granted, will be a great favour and of very great assistance to me and my fatherless children in my present distresses.

4. I beg respectfully to leave my unfortunate and deplorable case in your generous hands, and, assured of your charitable and benevolent disposition, you will be pleased to place my case before Government and secure for me and my children the humble solicitation made in this appeal, which kindness we shall acknowledge with feelings of gratitude and consider you to be our friend and benefactor.
