Proceedings of the Madras Government, Pension Department,
20th July 1874.

Read again the Proceedings of Government, Pension Department, dated 23rd January 1874, No. 26.
Read also the following letter from J. H. GARSTIN, Esq, Collector of South Arcot, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Cuddalore, 26th June 1874, No. 37 :—

Referring to the Proceedings of Government under date the 27th November 1873, No. 599, Pension Department, and G.O., dated 23rd January 1874, No. 26, I have the honor to report that I have waited a few months to see whether Subba Naidoo is disqualified for his work or not, and am of opinion that, though he is still strong and able to undergo considerable exertion, he is not now by any means a smart Duffadar.

2. He has served for thirty-six years and done good service during that period ; and though his eyesight may not be defective from an oculist's point of view, I have seen him stamp a takeed with my signature-stamp at the head, instead of at the end, of the order, the paper being turned upside down. He finds a difficulty in picking papers off the table owing, as far as I can make out, to a loss of sensitiveness in the tips of his fingers, and he talks Tamil more indistinctly than any native I can remember to have met.

3. He denies that he ever applied to Dr. Wilson for a sick certificate on the score of defective vision.

4. If he could be pensioned, I think he certainly has earned his pension ; but he is no invalid, and so I see nothing for it but to let him remain until in the course of nature he qualifies for a sick certificate.

ORDER THEREON, 20th July 1874, No. 418.

The Collector's concluding suggestion is approved.
