Certified that I have carefully
 Examined Thomas Edward Greenfield
 Son of Thomas Greenfield Asst Examiner
 in the Military Pay Department. His age
 is by his own statement 52 years and by
 appearance about 55 years. I consider
 Thomas Edward Greenfield to be completely and
 permanently incapacitated for further
 Service of any kind, in the Department
 to which he belongs in consequence of
 Congestion of the brain. His incapacity
 does not appear to me to have been caused
 by irregular or intemperate habits.

States that he was seized with severe pain on a very hot day in May 1862 for which he was treated by depletion & then went for a change to Bangalore & the Shewarays but derived so little benefit that he had to go home on S.C. Since his return has always suffered from headache during the hot season & again went home for the same cause in 1862 although he took furlough instead of sick Certificate as being more favorable. He returned last April and some days ago was again seized with the same pain which quite unfit him for work and caused him considerable alarm. The pain is accompanied with a feeling of fulness in the ears & across the base of the brain. I suppose the attack in 1862 to have been heat apoplexy

& believe there is a tendency to Congestion of the brain from which some danger is to be apprehended in this climate.
