*Proceedings of the Madras Government, Pension Department,
13th August 1874.*

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to R. W. LODWICK, Esq., Accountant-General, Fort St. George, dated Ootacamund, 28th July 1874, No. 34 :—

With reference to Proceedings of the Government, Pension Department, dated 15th June 1874, informing me that one Shaik Hoossain, a Government peon, now in the employ of the Ootacamund Municipality, has not served long enough for an invalid pension, but that the Government will favorably consider his claim to pension on his retiring from Municipal service, with reference to any provision the Municipality may make for him, I have the honor to submit a resolution of the Commissioners passed at a meeting held on the 4th July 1874.

"The Commissioners consider that this peon is quite unfit for further work. They will be prepared to contribute 1 Rupee towards his pension, and would recommend him strongly to the consideration of Government for the grant of a pension, which together with 1 Rupee would be equal to the amount to which he would be entitled had he served his full time under Government."

Forwarded to the Acting Chief Secretary to Government, Pension Department, with reference to G.O., No. 337, dated 15th June 1874, Pension Department. No fresh application has been submitted by the Commissioner.
