Extract from the Proceedings of the Board of Revenue, dated 25 August 1865
No. 5799

1 The foregoing papers relate to an enquiry instituted by the Sub-Collector of South Arcot into the misconduct of one of the Tahsildars in his Division. Vencata Soobiah of Vredachelam who is shown to have collected certain sums of money from the Subordinates in his own Cutcherry for the purpose of making a present to Vencoba or Venkat Row, the Head Clerk in the Sub-Collector's office.

× × ×

6. In regard to the other offenders, Venkoba Row, the Sub-Collector's Head Clerk, and Ragavendra Row, the Head Gumastah in

in the Vriddachelam Taluq, though the Collector has not stated what punishment he intends to inflict, purposing doubtless to dispose of their cases under his own authority; the Board consider it desirable to direct that the former should be suspended for six months, and the latter for a period of two months. The future treatment of Vencoba Row, in reference to employment, will be left to the District authorities. The Collector will of course take care that the money which was collected from the several subordinates in the Taluq cutcherry is refunded to them by Vencoba Row before he is re-instated.

Extract from the Proceedings of the Board of Revenue dated 7th August 1866 No. 5349

1 The Board observe that the punishment inflicted on Vencoba Row was Suspension for Six months. At the end of that period he ought to have been re-employed either in his former situation, or in some other situation of equivalent value. By leaving the future treatment of Vencoba Row, in reference to employment, to the District authorities, the Board meant that the Sub-Collector was not under the necessity of restoring him to his former Situation, but it was never intended that he should be left without employment altogether.

Proceedings of the Board of Revenue dated 1st November 1866.

Read letter from the Sub Collector of South Arcot dated 18th October 1866 No. 470.

The Board observe that the foregoing letter need not have been sent to the Board direct.

2. They however must observe that it was not competent either to the Collector or the Sub Collector to hesitate about employing Seenoba Rao after the Board's Proceedings of the 7th August last had been received; it was therein pointed out that this person's place should not have been permanently filled up as that course had been already taken

taken and as Veneoba Rao had been kept out of office nearly a year instead of six months, Mr. Reade should have seen that he was provided with the first suitable situation which fell vacant in the District in any Department. The only course now open to the Board that Veneoba Rao be at once appointed to some post in the South Arcot District with a salary of Rs. 35 per mensem, even if this arrangement should necessitate the cancelling of any appointment that may have been made in the District subsequent to the suspension of Veneoba Rao.

3. This arrangement must of course be so carried out as to

ensure

ensure Veneoba Rao being placed in a situation the duties of which he is competent to perform and the result should be reported to the Board without delay.

4. The Board observe that other points in the correspondence forwarded by Mr. Irvine require notice but they will await Mr. Reade's remarks before passing orders on them.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. The applicant's conduct except in the single instance mentioned in Remark 2 seems to have been good throughout his service. Being unfit for further service on account of general debility and defective vision as will be seen from the accompanying Medical Certificate, the Collector recommends him for an invalid pension of Rs. 11-10-8 per mensem under Clause (b) Section 56 Chapter XII of the Civil Pension Code.

2. Explanation of any suspension or degradation. On the 12th July 1865 the applicant was suspended for 6 months for improper conduct in having received as a present a certain sum of money collected by the then Tahsildar of Vriddachelam from the Subordinate Servants of his cutchery (Vide extract from the Proceedings of the Board of Revenue dated 25 August 1865 No. 5799 accompanying). He was not however restored to his post after the expiration of the period of suspension, and remained without employ till 20 November 1866. The punishment inflicted on Vencoba Row alias Vencata Row having been suspension for 6 months, The Board of Revenue remarked that at the end of the period of suspension he ought to have been re-employed either in his former situation or in some other situation of equivalent value, and that as he had been kept out of office nearly a year instead of 6 months, the period during which he was out of employ for no fault of his own was ordered to be shown under column "Period reckoned as service" in the history of Service. (Vide extracts from the Proceedings of the Board of Revenue dated 7 August 1866 No. 5449 as well as their Proceedings No. 492 dated 1 November 1866.) Even if the whole of this period viz 10 months and 11 days he was suspended and out of employ be excluded the applicant has still upwards of 20 years service to entitle him to an invalid pension equal to 1/3rd of the average salary drawn by him during the last 5 years of his service.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks. He was reappointed on the 21 November 1866 to act in the post of 3d Vernacular Clerk. (Vide translation of Taked accompanying.) The service book of the applicant is herewith sent.
