Honorable Sir

I have the honor to submit the following circumstances regarding Mr. J. P. Doneaud some time since a clerk in my Office for the consideration of His Excellency the Governor in Council.

In June 1864 Mr. Doneaud, who had been some years in the service of Government, was compelled to retire on account of ill health and as he had not then qualified for pension he was awarded a gratuity of Ruppes 75-00.

In June 1867 Mr. Doneaud was re-entertained in my Office upon the condition that he should refund to Government the said sum of Ruppes 75-00 which had been previously awarded to him as a gratuity on his leaving the service of Government, which gratuity was accordingly refunded.

In October 1869 the services of Mr. Doneaud were dispensed with as he was unfit for further work, since then he has been gradually sinking into a state of destitution and he has now appealed to me for the return

Certified that I have carefully examined Mr Charles Peter Donnad a Clerk son of Joseph Anthony Donnad a Clerk in the Registrar's Office High Court Original Side. His age is, by his own statement 59 years, and by appearance about 59 years. I consider Mr Charles Peter Donnad to be completely and permanently incapacitated for further service of any kind, or in the Department to which he belongs, in consequence of Leprosy. His incapacity does not appear to me to have been caused by irregular or intemperate habits.
