ORDER THEREON, 23rd August 1875, No. 494.

Under Sections 49 and 56 (c) of the Civil Pension Code (second edition), His Excellency the Governor in Council is pleased to grant to Chinniah Pillay Pondicherry Annasawmy Pillay, late Superintendent of Salt, Káttúr Division, in the Chingleput District, an invalid pension of Rupees (25) twenty-five per mensem, to which he is entitled for his qualifying superior service of twenty-eight years, three months, and fourteen days, payable in the Accountant-General's Office, Madras, from the 8th August 1874.

2. The reason assigned by the Collector for the delay of upwards of four months in submitting the application in this case cannot be considered satisfactory, and His Excellency observes that, on a reference from the Account Department for further information, a second delay of equal length occurred in the Collector's Office. The result is that the applicant has been kept out of his pension for upwards of a year.

FROM THE DEPUTY ACCOUNTANT GENERAL,
TO THE GOVERNMENT OF MADRAS,

To The Collector of Chingleput.

VIDE your Office application for — Pension — on behalf of P. Annasawmy Pillay, Salt Supt. Kattur &c.

The undersigned has the honor to ~~request explanation on the following points~~ :—

Return for correction the application for pension on behalf of P. Annasawmy Pillay the entries in the second page of it being apparently erroneous as they do not in most cases tally with those contained in the Annual Returns on record in this office, and to enquire —:

1. — Whether his services have been verified from the pay abstracts, acquittance Rolls, or other documents other than Jamabundi on record in the different offices in which he had served.
2. — Why a suspension period of one month from 11th June to 10th July '71 is not shewn in the History of service; and why he was suspended and whether he was allowed any part of his pay for the period.
3. Why the applicant was retained in service 12 days subsequent to the date of Medical certificate.

The service Book of the applicant together with other enclosures are also returned, the former for the needful corrections and the latter for English translation.

Reply.

The applicant's service, as far as the Salt Department is concerned has been verified from the Acquittance Rolls. For the portion of his service in the Madras Collectorate, a list is enclosed from which it will be seen that no records are forthcoming for certain periods for which the accompanying Affidavits & Statements of Contemporary employees have since been obtained.

The rest of his service which was in the Ninth Department, is supported by the Certificate of the Ninth Master dated 10th August 1850, entered in the Service Register.

2 The omission of the suspension period in the History of service was due to an oversight on the part of the Salt Department & this has been now filled up.

The applicant was suspended for one month for having left his station for his own marriage without leave & he drew no pay for the period. Copies of correspondence regarding his suspension & reinstatement are enclosed.

3 The Medical Certificate though dated 27th July 1874 reached the Salt Dy Collr through this office only on the 3rd August following, when a Cattle was sent to the Dy as an urgent Supply to relieve the applicant, which he did on the 5th of that month. The salary for this period was disbursed to the applicant.

The Register and the Service Book of the applicant are returned herewith revised together with the other enclosures accompanied by Engh translations as requested.

Sir,

With reference to your letter of 21st Ultimo No. 344 forwarding the explanation of Annasami Pillai the Salt Superintendent of Kattiur Division, I have the honor to inform you that I do not regard it as at all satisfactory.

It is clear that the Superintendent was absent from the Pans from the 1st of June without leave, further in his application of the 4th he makes no mention whatever of being sick but asks simply for leave for his son's marriage; he will therefore be suspended as recommended; but considering the circumstances under which the Superintendent was absent I think a month's suspension is sufficient which I accordingly sanction from the 10th Ultimo.

As Annasamy Pillay is stated to be unfit for work he should in the meantime be required to appear with the

the accompanying letter before the Tyllah Surgeon at Chingleput & produce a Certificate of physical fitness or otherwise.

VIDE your Office application for Pension - - - - on behalf of P. Annasawmy Pillai.

The undersigned has the honor ~~to request explanation on the following~~ points :—

to state that ~~with~~ in the History of the applicant's services he is shewn to have been a Yeomiah Writer on Rs 24 p.m. from 17th July '57 to 31 July '65 while in the Annual Returns (as record in this Office) from 1858 to '60 his name is traceable in the Mint Department on Rs 24-8-0 p.m., in that of 1861 in the Yeomiah Department on Rs 17-8-0, and in those of 1862 to '65 in the Mint Rent Department on Rs 20-0-0. Requests to be informed of the cause of the above variations.

It is observed that in the Annual Return of 1845 the applicant's name is not traceable in the late Mint Office but the name of one Papoo Chetty is traceable as the holder of the post of Clerk on 14 Rs p.m., in those of 1846 to '50 ~~his name~~ the applicant's name is traceable but with January '46 for the date of his appointment. Even ~~from~~ the pay bills on record in this office the applicant's name is not traceable upto 15th January '46. It should therefore be ascertained whether 15th January '46 is the correct date, or 1st October '44 as given in the History of his services if the latter whether he was paid from the Contingencies of Mint Office during the period in question.

The accompanying Statement obtained from the Deputy Collector of Madras explains the causes of variations in the service of the applicant, from 17th July 1857 to 31st July 1865. Translation of the extract from the Service Register referred to in the remark column of the Statement is enclosed.

The Salt Deputy Collector reports that on enquiry, the applicant appears to have been entertained on the 1st October 1844 as Canekapillay in the Chief office, & paid from the Contingencies until the 15th January 1846 & that from the 16th of that month he was employed on the permanent establishment. Sir

I have the honor to inform you that a few of the Takeeds of my appointments to different posts having been lost, and the Register of my Services having been prepared from Takeeds that were in my possession, the variations referred to in the Deputy Accountant General's letter are to be admitted as correct, with regard to office designation and Salary. I submit that there will be no discrepancy in the period of my services and my having been always on a Salary eligible for pension.

The cause of my having been transferred from the Accountant Post to a Yomiah writer and my pay been reduced to Rs 17 8 " from Rs 24 8 and then raised to Rs 20 " is solely attributable to the reduction of Establishment in the annalgamation of the Madras and Chingleput Districts in 1860.

Though I was entertained on the 1st October 1844 as a Clerk on Canara pay at

at the Mint yet I was receiving pay out of Contingencies until 15th January 1846, and from 16th January I was permanently employed, as several years have been elapsed I had no recollection of this when my Service List was prepared.

In Conclusion I beg to bring to your kind notice that I have never been in any post ineligible for pension and moreover beg to observe that if an period of 1 year 3 months and 15 days of my employment at the Mint be excluded from the total period of my services viz 29 years 8 Months and 9 days still my Services are 28 years 4 Months and 24 days viz more than those require for granting half pension.

I therefore humbly request that you will be so gracious as to represent the Case of my circumstances referred to and obtain sanction for my pension, as I am suffering inexpressible distress with my large family.

The reason assigned by the Collector for the delay of upwards of four months in submitting the application in this case cannot be considered satisfactory and His Excellency observes that on a reference from the Account Department for further information, a second delay of equal length occurred in the Collector's office. The result is that the applicant has been kept out of his pension for upwards of a year.
