Memos

With reference to the above the Acting District Judge has the honor to forward a fresh Medical Certificate attested by a special Invaliding committee, and to state that the delay in the submission of the application is owing partly to the time occupied in obtaining a verification of the applicants services in the Revenue Department, from the Collector whose final reply was received only at the end of May, and partly to the applicants omission to send in his service book until a few days before the transmission of the application.

Certified that we have carefully examined Mr. J.C. Coelho Son of Mr. A. M. Coelho, District Moonsiff of Kundapur South Canara. His age is by his own Statement 51 years, 1 month and 22 days and by appearance about the same. We Consider Mr. J.C. Coelho to be completely and permanently incapacitated for further Service of any kind, in the Department to which he belongs in consequence of bodily infirmity (Chronic Rheumatism and Chronic Dysentery of several years standing). His incapacity does not appear to us to have been caused by irregular or intemperate habits.

I W. C. Mealium M. D. Civil Surgeon Mangalore do hereby certify, that I have carefully examined Mr. J. C. Coelho the District Munsif of Kundapur South Canara; that his age is by his own Statement 50-7-20 years, and by appearance about 51 years; and that I find him to be unfit for further Service on account of bodily infirmity not likely to be remedied by Medical treatment, and which renders him unable to discharge the active as well as the Sedentary duties of his appointment. To the best of my judgment the cause of disqualification is not the result of intemperance or other irregular habits.
