From the District Engineer, Kurnool, dated 4th March 1874.

ORDER THEREON, 10th September 1874, No. 557.

In accordance with G.O., No. 628, of 27th February 1873, an application is submitted for the grant of an invalid pension to T. Parthasarathy Moodelliar, late Overseer, Kurnool District.

2. When this order was passed, neither the original of Surgeon-Major G. Smith's letter to the late Superintending Engineer, 3rd Division, No. 433, dated 17th September 1872, nor the applicant's Service Register was before Government, who were, therefore, unaware of two important facts :—

1st.—That Dr. G. Smith distinctly certified of T. Parthasarathy Moodelliar that “ his general health is good, and he is fit to perform the duties of his appointment.”

2nd.—That, though he bore a good character from 1854 to 1863, the reverse was the case from 1863 to 1872.

3. These facts, unknown to Government and carefully suppressed by T. Parthasarathy Moodelliar, completely alter the complexion of his case, and His Excellency the Governor in Council is, therefore, unable to take into consideration his application for a pension.

Enclosure

In Memorandum
N^o 369 dated 29th
April 1874.

In returning the enclosed original letter referred to me with your endorsement of the 27th ultimo, I have the honor to state that the Accountant General has been requested to verify the services of Local Fund Overseer Parthasarddy from 1st September 1854 to 30th April 1858 and that on the receipt of his report the application for Pension will be submitted for the

the orders of Government.

I have the honor to be,
Sir,

Your most obedient servant,

Just

Off^r Controller of P.W. Accounts

When G.O. N^o 628 of 27th February 1873 was passed, neither the original of Dr. Smith's letter nor the Service Register was before Govt.

They were therefore unknown of two important facts

1st That Dr. Geo. Smith distinctly certified that "his general health is good, and he is fit to perform the duties of his appointment"

2nd That therefore he bore a good character from 1854 to 1863, the reverse was the case from 1863 to 1872.

These facts, unknown
to Govt, & carefully sup-
pressed by the Petition-
ers, were well known to
Major Vestue when he
wrote his distinct sum-
mary of the case, marked
A, of 24th September, 1872 -
Also to the President of
the Local Jural Board
of Kurnool, when he wrote
his endorsement N^o 435
of 8th November 1872 - I
am of opinion therefore
that their verdict of dis-
missal was just, and
would have been confirm-
ed by the Govt. had they
known the whole truth.
