I Henry John Beach Surgeon Major and Acting
Zillah Surgeon Beshampor, do hereby certify that I have
carefully examined Goday Namaya Naider (Deputy Tahsildar
of Purnahothapoor) that his age by his own statement is 49 years,
and by appearance rather more, and that I find him to be unfit
for further service from premature old age, chronic dysentery and
general debility, not in my opinion attributable to
intemperance or other irregular habits. He has been
under medical treatment frequently but has not
derived any benefit

Kafayat given on the 11th June 1874 before Saramiah
Saramiah Pantulu gam, Treasury Deputy Collector
of Ganjam by Gode Ramayya Nayadu, late
Sub-Magistrate of Purnshottapore.

Question.— In the abstract of Establishment sent by
you up to 31st March 1873 you entered 47 years
to be your age up to your birthday previous to it,
whereas in the Service Register submitted by you
with your application for pension you have
entered your age at 48 years and 11 months
up to 20th December 1873. What is the cause
of the discrepancy?

Answer.— When my age was entered in the Abstract in the
first instance, I had not with me my horoscope
and other private papers, and it was only entered
on memory, but when applying for pension the
age was correctly shown with reference to
the horoscope &c and therefore the entry
in the Service Register is a correct one.
