U.C.S.

FROM THE DEPUTY ACCOUNTANT GENERAL,
TO THE GOVERNMENT OF MADRAS,

To The Collector of Malabar

Vide your Office application for Pension on behalf of

A. Narayana Row.

The undersigned has the honor to request explanation on the following points:—

1. Why was Rs 14. drawn by the applicant from 8th November 1844 to 10 Dec. 1847 shown in the Activation column instead of in the Pay column as from the Annual Returns of 1 May 1847, he appears to have been the permanent incumbent of the post.
2. Whether the Stamp Dept. in which the app't served on 30 R. pay from 19 June 1854 to 31 May 57 was a permanent or temporary establishment. If permanent please state.
 - (a). From what source it was paid.
 - (b). Under what Order ^{Book} it was constituted.
 - (c). Why it was not entered in the Annual Returns.
 - (d). Instances if any wherein the service even in the Stamp Dept. has been allowed by Govt. to reckon as service qualifying for pension or gratuity.
 - (e). If temporary why service in it was reckoned as qualifying.
 - (f). Whether he resigned of his own accord the app't of such a function for service in the temporary est. or whether he was transferred to it by his then off. superiors in the interests of the State.
3. Cause of nearly 5 months delay in the submission of the application.
4. Why was the applicant's Service Book not furnished with the register of application. The same should be sent now for submission to Govt.

Charles D. Crawley

for the Accountant General

Reply.

1. This is a clerical error committed when the Register was copied fair. Please transfer the amount of salary from the acting allowance to the permanent pay column.

2. The Stamp Department was, it appears, a quasi-permanent one because the Commission on the part of stamps was credited to extra Revenue and the Establishment paid on regular Abstract. The Establishment was constituted on the spirit of the Board's Circular dated 25th October 1827. The names of the Officers were omitted from the Annual lists probably because the Establishment was not of the same nature as the regular fixed Establishments.

The two Officers noted in the margin who served a portion of their time in the Stamp Department have obtained Pensions vide G. O. 2nd August 1870 and 1st May 1872 Nos 339 & 303 respectively. The applicant did not resign his former post in order to enter the Stamp Department but was in due course promoted from Rupees 28 to Rs 30 per mensem by his superior Officers.

3. The delay in the submission of the application arose from references having had to be made to several Officers where applicant had served with the view of collecting information in regard to his services.

4. Applicant was not provided with a service Book - the history of his service was taken from Records.
