Dated	28-9-	18 74

Not to be folded or roughly handled

TO

HIS EXCELLENCY THE RIGHT HONORABLE THE GOVERNOR
IN COUNCIL.

FORT ST. GEORGE MADRAS.

*The humble Petition of C. M. Muttusawmy Pillay, late
1st Grade Overseer of Madura Taluq of Madura
District.*

HUMBLY SHEWETH,

That, on perusing the records in the Madura District Engineer's Office on the subject of his Pension as permitted by Government in their Order dated 4th June 1874, your Lordship's Petitioner finds that the recommendation of Mr. G. R. Leggate, the Range Officer, in his letter No. 370, dated 2nd August 1873, to the effect that the Petitioner should be granted a Pension of Rupees 50 per mensem, under Section 112 of Chapter 22 of the Civil Pension Code, on the ground that the Petitioner was incapacitated for further service by meeting with an accident, in the discharge of his public duty, has not been brought to the notice of Government.

2. That, in the list of Petitioner's services, submitted by the District Engineer with his letter No. 1966, dated 11th August 1873, Petitioner's service is shewn as 16 years, 2 months, and 8 days. This does not include Petitioner's service in an eligible grade, for a period of 8 years and 4 months in the Shevagungah Zemindary under the Court of Wards. That though, on the application made by Petitioner, a list of his service under the Court of Wards was forwarded by the District Engineer with his letter No. 3374 of 11th December 1873 in the usual channel Petitioner presumes the order on his Pension, dated 9th January 1874, No. 10, for rupees 22-4-8, was passed before the List could reach Government and be taken into consideration. If this service be included, Petitioner's service would be 24 years, 6 months, and 8 days; falling short of the period of service required to entitle him to a Pension of a moiety of his pay by only 5 months and 22 days.

3. That the Petitioner performed his works faithfully and efficiently during the period of 24 years, 6 months, and 8 days he had served. His abilities and official aptitude as well as his general conduct were such as to gain the satisfaction of his superiors, as will be evident from the face of several Testimonials which are sent by the District Engineer to the Government together with the Pension List.

4. That though the Zillah Surgeon certified last year to Petitioner's unfitness for further service, Petitioner has since recovered the full use of his fractured leg and is now able to travel on foot a distance of 10 miles and is ready to undergo any examination by any Medical Officers the Government may choose. That when submitting the application for Petitioner's Pension, the District Engineer forwarded a Certificate from one Medical Officer only on the

ground that it was difficult to get a Certificate from a Committee of Medical Men. Possibly, had Petitioner been subjected to the inspection of a body of Medical Officers, he would not have been declared unfit for service, but most probably recommended for a sick leave of a year or so, particularly because Petitioner had not had even one day's sick leave during the whole period of his services.

5. That out of 3 months and 27 days' privilege leave taken during the whole of his services, he had spent 27 days in 1867 for going to Ramaswarum, and the remaining 3 months, in 1872, while under treatment under Zillah Surgeon in the Hospital for his leg having been fractured by an accident when he was attending a building while on public duty.

6. That in conclusion as the period of service required to qualify Petitioner for a Pension of a moiety of his pay is very brief, and as he is now quite fit for a further service of even 10 years, his age being only 50 years and 4 months, Petitioner most humbly prays that your Lordship will be pleased to permit him to complete his service by ordering his restoration to his employment. In the event of your Lordship not being pleased to order his restoration, petitioner humbly prays Government will be pleased to grant him an extraordinary Pension as recommended by Mr. Leggate, 1st Range Officer.

For which act of benevolence and charity
Petitioner shall in duty bound
ever pray.

MADURA DISTRICT,
7th August 1874.

G. M. Muthuswamy Pillay

Late 1st Grade Overseer of Madura District.

The Letter No. 187 of 8th December 1873, forwarded to the District Engineer by the District Collector of Madura stating the Petitioner's service in the Collector's Department, is herewith produced.

No. 187.
