larger No 52 from the Tinnally District
The Munsiff forwards for the Court
favourable consideration and order, the
application for pension, submitted
by his Court Masalji Raman who
being 77 years old, is incapacitated
for further service.

In 1843, when the Civil Court
was established in this district, this
man was employed in the Court in that
Court on a salary of Rupees 4 and
was transferred to this (Munsiff's)
Court at his own request in 1867. In
these two Courts, he has been very
trustworthy and has been doing duty
very diligently during these thirty
years. From the certificate given
by the Additional Munsif Linn
Masa Chanku, this man appears to
have behaved himself properly
during the time he was doing work
there in addition to his ordinary duty.

Copied from

File No. 52/1844

As the scanty pay of Rupees 10, was barely sufficient for his maintenance, he has no means of obtaining a livelihood to support himself for the remaining days of his life.

It is absolutely necessary that the Government should show kindness to such a poor and trustworthy servant, who, with this small pay, has been serving for such a long period, so as to enable him to maintain himself according to his poor state.

I therefore request that as a ~~thank~~ a special case, the Court may be kind enough to get him an allowance of Rupees 2 per mensem for the remainder of his life.

The man is unable to give the date and other particulars, of his employment in the Civil Court, and these are to be taken from the records of the District Courts, therefore, send him with this ~~order~~.

As this Raman is incapacitated, I request that one Sudalai Muthu, who appears to be a competent man and who is now acting, may be confirmed in the post.

15th April Your Obedt^l servant
