Certified that I have carefully examined
Arokem, daughter of Chanthan, Head Native Nurse
in the Government Lying-in Hospital, Madras. Her
age is, by her own statement, ^{unknown} ~~unknown~~, and by appearance,
about 40 years. I consider Arokem to be completely
and permanently incapacitated for further service of any
kind in consequence of Hemiplegia. Her incapacity
does not appear to me to have been caused by irregular
or intemperate habits.
